## **II. Purpose of Addendum**

This addendum is being written to document the change or modification in the terms of the license. On 12/12/2011, the licensee submitted a license renewal application that included a request to decrease the licensed capacity to four (4).

## **III. Methodology**

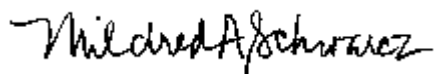

On 3/9/2012, I conducted an on-site license renewal inspection at the above-referenced facility. The inspection included an evaluation of the facility's compliance with all applicable licensing rules pertaining to physical plant, environmental health and fire safety. The inspection also included interviews of staff and residents. I conducted an exit conference with the licensee designee.

## **IV. Description of Findings and Conclusions**

As of 3/9/2012, the licensee is determined to be in substantial compliance with all applicable licensing rules pertaining to quality of care, physical plant, environmental health and fire safety.

## **V. Recommendation**

I recommend that the licensed capacity for Michael Court be decreased to four (4).
