II. Purpose of Addendum

The licensee submitted a written request to modify the terms of the license to include 'handicapped' to the population served.

III. Methodology

This consultant reviewed the experience and training that the licensee designee and related staff have had.

Previous inspections at the facility support that it is barrier free and/or accessible.

IV. Description of Findings and Conclusions

The licensee meets the requirements in terms of experience and training to support this change.

The facility is barrier free and/or accessible.

V. Recommendation

I recommend that 'handicapped' be added to the terms of the license under population(s) served.
