On 08/07/2014 Licensee Michael and Miranda LaBarge of Light House Retreat Adult Foster Care Family Home sent in a Request for Modification of the Terms of the License/Registration to increase the capacity of Light House Retreat AFC from 5 residents to 6.

IV. Description of Findings and Conclusions

On 08/07/2014 I measured the main level bedroom to assess whether or not there was enough room for one resident bed. Upon reviewing rule R400.1432 (2) Bedroom space; "usable floor space" defined, I determined that this lower level bedroom did have enough space to accommodate one resident. The living area of the facility has enough space to accommodate an increase of one resident.
