ADDENDUM TO ORIGINAL LICENSING STUDY REPORT**

I. IDENTIFYING INFORMATION

License #:	AH610236774
Licensee Name:	Dayspring Inc.
Licensee Address:	4878 Wickham Dr. Muskegon, MI 49441
Licensee Telephone #:	
Administrator/Licensee Designee:	N/A
Name of Facility:	Dayspring Assisted Living Residence
Facility Address:	572 Lake Forest Lane Muskegon, MI 49441
Facility Telephone #:	(231) 780-2229
Capacity:	48
Program Type:	AGED

II. Purpose of Addendum

This letter is in response to your request to reduce your bed capacity from 72 beds to 48 beds.

III. Methodology

Per your letter dated 06/06/03, you have indicated you have 36 rooms that are licensed for two beds each and because most of your residents have a private room you believe reducing your beds size to 48 will be your highest capacity.

IV. Description of Findings and Conclusions

Based on our conversation over the phone on 06/06/03, you understand you cannot admit beyond 48 residents and in doing so would be a violation of the Home for the Aged rules and regulations. Therefore, your bed capacity has been reduced from 72 beds to 48 beds effective June 16, 2003.

V. Recommendation

I recommend a regular license be issued for a maximum bed capacity of 48.
