RE: License #: AS500378403
Junction
50494 Ruedisale
New Baltimore, MI 48047

Dear Mr. Hurt:

Attached is the Addendum to the Original Licensing Study Report for the above referenced facility.

Please review the enclosed documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (248) 975-5053.

Sincerely,

A handwritten signature in cursive script that reads "Stephanie Williams".

ADDENDUM TO ORIGINAL LICENSING STUDY REPORT**

I. IDENTIFYING INFORMATION

License #:	AS500378403
Licensee Name:	Macomb Family Services Inc.
Licensee Address:	124 West Gates Romeo, MI 48065
Licensee Telephone #:	(586) 336-0422
Administrator/Licensee Designee:	Harold Hurt
Name of Facility:	Junction
Facility Address:	50494 Ruedisale New Baltimore, MI 48047
Facility Telephone #:	(586) 779-3680
Capacity:	6
Program Type:	DEVELOPMENTALLY DISABLED

II. Purpose of Addendum

On 02/26/2016, I received a letter from Mr. Harold Hurt, licensee designee/ administrator requesting a modification to increase the capacity from five residents to six residents. The facility was recently licensed on 02/17/2016.

III. Methodology

On 03/07/2016, I completed an onsite inspection at the facility.

On 03/10/2016, I received pictures that a chair and curtains have been installed in bedroom #4

IV. Description of Findings and Conclusions

The room identified for the potential sixth resident’s bedroom of the home was previously referred to as the office on the Original License Inspection Report (OLSR), dated 02/17/2016. It will now be known as bedroom #4. Bedroom #4 will only accommodate one resident which will bring the total number of residents in the home to six which is the maximum number of residents allowed in a small group home.

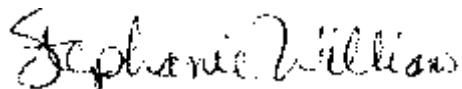

Total square footage of community space of the facility is 602.8 square feet, which is more than the amount needed to accommodate six residents.

The measurement of the room is as follow:

Bedroom #4	13’5” x 10’10”	145.3 square feet	capacity 1 resident
------------	----------------	-------------------	---------------------

V. Recommendation

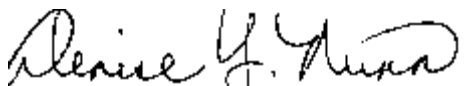

I recommend the capacity of the facility be increased from five to six residents.

03/29/2016

Stephanie A. Williams
Licensing Consultant
