ADDENDUM TO THE ORIGINAL LICENSING STUDY REPORT

PURPOSE OF ADDENDUM

On 3/9/2017, licensee designee Marlene Burgees submitted a request to amend the Fairfield license from an all-male program to a co-ed program.

METHODOLOGY

- 3/8/2017 Received phone call from licensee, Ms. Burgees, inquiring about changing their license from all-male program to a co-ed program.
- 3/9/2017 Received a letter from licensee Ms. Burgees requesting to amend their program to a co-ed program.
- 3/13/2017 Review of original licensing record; license originally issued for an all-male program on 12/11/2002.

DESCRIPTION OF FINDINGS AND CONCLUSIONS

The licensee, Marlene Burgees, has requested to change Fairfield's current license population from an all-male program to a co-ed program to provide flexible placement opportunities for those that require Adult Foster Care services due to their mental health diagnosis. The home has three bedrooms that will be able to appropriately accommodate a co-ed program.

RECOMMENDATION

The facility has adequate bedrooms to accommodate the licensee's request to change from an all-male to a co-ed program. I recommend that the facility be open to a co-ed program.
