IV. Description of Findings and Conclusions

On 02/06/2017, Licensee Designee- Andrew Akunne submitted training documentations, a new admissions and program statement. Mr. Akunne has been a licensee designee and administrator since 2011 for Joak American Homes, Inc. There are several homes under this corporation that have all identified program types requested thus this serves as his verification of experience. In addition, the facility does not require wheelchair ramps as the entrance and exits terminate on a flat surface.

V. Recommendation

I recommend physically handicapped, developmental delay, aged, and Alzheimer be added to the license and the capacity to be decreased to seven residents.
