Name of Facility:	Robbinswood Assisted Living Community
Facility Address:	1125 Robbins Road Grand Haven, MI 49417
Facility Telephone #:	(616) 842-1900
Capacity:	110
Program Type:	ALZHEIMERS AGED

II. Purpose of Addendum

The purpose of this addendum is to document the addition of 24 resident rooms and additional dining space, nurse’s station, beauty shop, and shower room on the first floor. The licensee also requested to increase the resident capacity of the facility from 80 to 110 licensed beds.

III. Methodology

On 11/15/17, the licensee submitted a written request to increase the licensed bed capacity from 80 to 110 to accommodate the addition of 24 resident rooms.

On 12/21/17, I observed the facility’s new addition on the first, second, and third floor. I observed the addition consists of new resident rooms, additional dining space, a nurse’s station, beauty shop, and shower room.

On 12/12/17, Bureau of Fire Safety (BFS) granted approval.

On 12/14/17, Health Facilities Engineering Section (HFES) granted occupancy approval.

IV. Description of Findings and Conclusions

Robbinswood Assisted Living is a three story building. Five resident rooms were added to the first floor, along with additional dining space, a nurse’s station, beauty shop, and shower room. The five resident rooms on the first floor are double occupancy. Nine resident rooms were added to the second floor. Room 211 on the second floor is the only double occupancy room. Ten resident rooms were added to the third floor. All rooms on the third floor are single occupancy.

The rooms are equipped with call cords in the common area and bathroom. Each room has a full bathroom consisting of a walk in shower and sink.

V. Recommendation

I recommend the licensed bed capacity be increased to 110 licensed beds.
