II. Purpose of Addendum

To update terms of the license as the home no longer has private septic.

III.

IV. Methodology

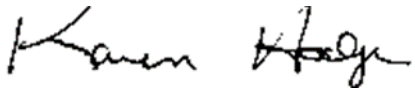

I reviewed documents submitted by the Berrien County Health Department and New Buffalo Township that the home has been connected to the public sewer system.

V. Description of Findings and Conclusions

The home now has public sewer services and no longer requires approval from the Health Department for a private septic system.

VI. Recommendation

I recommend the terms be changed from private septic to public sewer .
