IV. Description of Findings and Conclusions

On 03/27/2019, I reviewed the documents submitted by Beacon Specialized Living Services, Inc (BSLS Inc). regarding the adult foster care group facility, Beacon Home at Ypsilanti (AS810393269), located at 7862 Tuttle Hill Road, Ypsilanti, MI 48197:

- Letter dated 01/25/2019 from BSLS Inc. requesting increased capacity of the adult foster care group facility, Beacon Home at Ypsilanti, from 4 residents to 6 residents.
- Certificate of Approval from the Washtenaw County Public Health/Environmental Health Division signed on 02/01/2019 giving approval of increased capacity from 4 residents to 6 residents.

On 04/01/2019, I completed an on-site inspection and observed the following: 3rd resident bedroom, empty, measured at 15.4 X 9.9 yielding a square footage of 152.

The living, dining, and sitting room areas measure a total of 312 square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.

Based on the above information, it is concluded that the facility can accommodate six (6). It is the licensee's responsibility not to exceed the facility's licensed capacity.

V. Recommendation

I recommend the capacity of the Beacon Home of Ypsilanti to be increased from four to six.
