RE: License #: AS820385680
Donka Health Care
26316 Oakland St.
Inkster, MI 48141

Dear Ms. Saye:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in black ink that reads "Regina Buchanan". The signature is written in a cursive, flowing style.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14203 Licensee and administrator training requirements.

(1) A licensee and an administrator shall complete the following educational requirements specified in subdivision (a) or (b) of this subrule, or a combination thereof, on an annual basis:

(a) Participate in, and successfully complete, 16 hours of training designated or approved by the department that is relevant to the licensee's admission policy and program statement.

(b) Have completed 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as approved by the department.

The licensee failed to complete the required amount of annual training hours.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

Resident A did not have a health care appraisal completed within 90 days before admission to the home.

REPEAT VIOLATION {RENEWAL INSPECTION 07/11/2018}

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(4) At the time of admission, and at least annually, a written assessment plan shall be completed with the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee. A licensee shall maintain a copy of the resident's written assessment plan on file in the home.

Resident A's assessment plan was not completed at the time of admission.

REPEAT VIOLATION {RENEWAL INSPECTION 07/11/2018}

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(6) At the time of a resident's admission, a licensee shall complete a written resident care agreement. A resident care agreement is the document which is established between the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee and which specifies the responsibilities of each party.

Resident A's resident care agreement was not completed at the time of admission.

REPEAT VIOLATION {RENEWAL INSPECTION 07/11/2018}

R 400.14310 Resident health care.

(3) A licensee shall record the weight of a resident upon admission and monthly thereafter. Weight records shall be kept on file for 2 years.

Resident A's weight was not recorded at admission.

R 400.14401 Environmental health.

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

The hot water was not within the required temperature range. The licensee admitted it was too hot and was not able to hold her hand under the running water.

R 400.14505 Smoke detection equipment; location; battery replacement; testing, examination, and maintenance; spacing of detectors mounted on ceilings and walls; installation requirements for new construction, conversions and changes of category.

(4) Detectors shall be tested, examined, and maintained as recommended by the manufacturer.

The smoke alarm near the kitchen was chirping and hanging from the ceiling.

R 400.14507 Means of egress generally.

(5) A door that forms a part of a required means of egress shall be not less than 30 inches wide and shall be equipped with positive-latching, non-locking-against-egress hardware.

The front egress screen door was equipped with locking against egress hardware.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
