III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14205 **Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.**

(3) A licensee shall maintain, in the home, and make available for department review, a statement that is signed by a licensed physician or his or her designee attesting to the knowledge of the physical health of direct care staff, other employees, and members of the household. The statement shall be obtained within 30 days of an individual's employment, assumption of duties, or occupancy in the home.

At the time of inspection staff did not have verification of health within 30 days of hire.

R 400.14205 **Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.**

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

At the time of inspection, staff did not have verification of TB testing.

R 400.14208 **Direct care staff and employee records.**

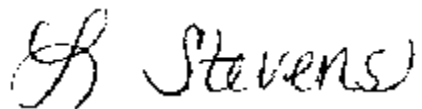

**(1) A licensee shall maintain a record for each employee. The record shall contain all of the following employee information:
(f) Verification of reference checks.**

At the time of inspection, verification of reference checks was not in the staff file.

A corrective action plan was requested and approved on 06/17/2021. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
