RE: Application #: AS630407908
Resilient - Spring Valley
27555 Spring Valley
Farmington Hills, MI 48336

Dear Ms. Waddell:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and administrative rules. Therefore, a temporary license with a maximum capacity of 6 is issued.

Please review the enclosed documentation for accuracy and contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (248) 975-5053.

Sincerely,

A handwritten signature in blue ink, appearing to read "K. Lewis".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

The Resilient – Spring Valley adult foster care home is located in a residential area in Farmington Hills, MI. The home is a single-story ranch structure with a full basement and attached garage. The home has five-bedrooms. In addition to the bedrooms, the home has a large living room, activity room, recreation room, kitchen, and dining room. Outside of the kitchen these areas contain 532 square 3 feet of multipurpose floor space to accommodate six residents. There are three bathrooms to accommodate the residents and the staff. Both the hot water heater and furnace are located in the basement. There is 1¾-inch solid core hard wood door that leads to the basement with a self-closing device is located on the door for adequate fire separation. There is a make-up air duct in the furnace room to prohibit combustion from occurring. The facility is fully wheelchair accessible at both entrances and throughout the first floor.

The furnace and hot water heater are located in the basement with a 1¾-inch solid core door equipped with an automatic self-closing device and positive latching hardware located at the top of stairs. The home is equipped with an electrically powered interconnected hard-wired smoke detection system that is audible in all sleeping areas with the doors closed. The facility is also equipped with a sprinkler system with hose bibs adequately spaced on each floor-level of the facility. There are two approved fire extinguishers on the main floor of the home and one in the basement.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Total Square Footage	Total Resident Beds
1	186	1
2	102	1
3	108	1
4	121	1
5	414	2

Total capacity: 6

The living, dining, and sitting room areas measure a total of 532 square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.

Based on the above information, it is concluded that this facility can accommodate **six (6)** residents. It is the licensee's responsibility not to exceed the facility's licensed capacity.

B. Program Description

Admission and discharge policies, program statement, refund policy, personnel policies, and standard procedures for the facility were reviewed and accepted as written. The applicant intends to provide 24-hour supervision, protection, and personal care to six (6) male or female ambulatory adults whose diagnosis is physically handicapped or traumatically brain injured (TBI), in the least restrictive environment possible. The program will include social interaction skills, personal hygiene, personal adjustment skills, and public safety skills. A personal behavior support plan will be designed and implemented for each resident's rehabilitative, social, behavioral, and developmental needs.

If required, behavioral intervention and crisis intervention programs will be developed as identified in the assessment plan. These programs shall be implemented only by trained staff, and only with the prior approval of the resident, guardian, and the responsible agency.

The licensee will provide all transportation for program and medical needs. The facility will make provision for a variety of leisure and recreational equipment. It is the intent of this facility to utilize local community resources including public schools and libraries, local museums, shopping centers, and local parks.

C. Applicant and Administrator Qualifications

The applicant is Resilient Life Care, LLC, which is a "Domestic Limited Liability Company", was established in Kentucky, on 11/13/2017. The applicant submitted a financial statement and established an annual budget projecting expenses and income to demonstrate the financial capability to operate this adult foster care facility.

The Board of Directors of Resilient Life Care, LLC has submitted documentation appointing Kimberlee Waddell as Licensee Designee for this facility and Michael Nanzer as the Administrator of the facility.

A licensing record clearance request was completed with no lein convictions recorded for the Ms. Waddell or Mr. Nanzer. Both Ms. Waddell and Mr. Nanzer submitted a medical clearance request with statements from a physician documenting their good health and current TB-tine negative results.

Ms. Waddell and Mr. Nanzer have provided documentation to satisfy the qualifications and training requirements identified in the administrative group home rules.

Ms. Waddell has been the licensee designee for 35 adult foster care facilities and Compliance and Regulatory Affairs Director at Rainbow Rehabilitation Centers since 1995. Ms. Waddell earned a Bachelor of Science from Eastern Michigan University and maintains certifications as a brain injury specialist, behavior management instructor, CPR and First Aid instructor, as well as handle with care trainer.

Mr. Nanzer has been the vice president and chief executive officer at Rainbow Rehabilitation Centers since 2016. Mr. Nanzer earned a Doctor of Physical Therapy from the University of Michigan and maintains credentials as a Fellow of the American College of Healthcare Executives as well as membership in the American Congress of Rehabilitative Medicine as a stroke, spinal cord, and brain injury specialist.

The staffing pattern for the original license of this 6 -bed facility is adequate and includes a minimum of 1 staff – to 6 residents per shift. All staff shall be awake during sleeping hours.

The applicant acknowledges an understanding of the training and qualification requirements for direct care staff prior to each person working in the facility in that capacity or being considered as part of the staff 1 to 4 resident ratio.

The applicant acknowledged an understanding of the responsibility to assess the good moral character of employees and contractors who have regular, ongoing, “direct access” to residents or the resident information or both. The licensing consultant provided technical assistance on the process for obtaining criminal record checks utilizing the Michigan Long Term Care Partnership website (www.miltcpartnership.org), L-1 Identity Solutions™ (formerly Identix ®), and the related documents required to be maintained in each employee record to demonstrate compliance.

The applicant acknowledges an understanding of the administrative rules regarding medication procedures and that only those direct care staff that have received medication training and have been determined competent by the licensee, can administer medication to residents. In addition, the applicant has indicated that resident medication will be stored in a locked cabinet and that daily medication logs will be maintained on each resident receiving medication.

The applicant acknowledges their responsibility to obtain all required documentation and signatures that are to be completed prior to each direct care staff or volunteer working with residents. In addition, the applicant acknowledges their responsibility to maintain a current employee record on file in the home for the licensee, administrator, and direct care staff or volunteer and the retention schedule for all of the documents contained within each employee’s file.

The applicant acknowledges an understanding of the administrative rules regarding informing each resident of their resident rights and providing them with a copy of those rights. The applicant indicated that it is their intent to achieve and maintain compliance with these requirements.

The applicant acknowledges an understanding of the administrative rules regarding the written and verbal reporting of incidents and accidents and the responsibility to conduct an immediate investigation of the cause. The applicant has indicated their intention to achieve and maintain compliance with the reporting and investigation of each incident and accident involving a resident, employee, and/or visitor.

The applicant acknowledges an understanding of the administrative rules regarding the handling of resident funds and valuables and intends to comply.

The applicant acknowledges their responsibility to obtain all of the required forms and signatures that are to be completed prior to, or at the time of each resident's admission to the home as well as the required forms and signatures to be completed for each resident on an annual basis. In addition, the applicant acknowledges their responsibility to maintain a current resident record on file in the home for each resident and the retention schedule for all of the documents contained within each resident's file.

The applicant acknowledges their responsibility to provide a written discharge notice to the appropriate parties when a 30-day or less than 30-day discharge is requested.

D. Rule/Statutory Violations

The applicant was in compliance with the licensing act and applicable administrative rules at the time of licensure.

IV. RECOMMENDATION

I recommend issuance of a temporary license to this AFC adult small group home (capacity 1-6).
