Kimberly Studer K And K Quality Care Inc 351 Bay Mid Line Rd Midland, MI 48642

RE: License #: AM090071937

K and K Quality Care 351 Bay Mid Line Road Midland, MI 48642

Dear Ms. Studer:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14204 Direct care staff; qualifications and training.

(3) A licensee or administrator shall provide in-service training or make training available through other sources to direct care staff. Direct care staff shall be competent before performing assigned tasks, which shall include being competent in all of the following areas:

(b) First aid.

Staff were not current on their First Aid Training.

R 400.14204 Direct care staff; qualifications and training.

(3) A licensee or administrator shall provide in-service training or make training available through other sources to direct care staff. Direct care staff shall be competent before performing assigned tasks, which shall include being competent in all of the following areas:

(c) Cardiopulmonary resuscitation.

Staff were not current on their CPR training.

R 400.14205

Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(4) A licensee shall provide the department with written evidence that he or she and the administrator have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken. The results of subsequent testing shall be verified every 3 years thereafter.

The licensee did not have a current TB test.

R 400.14205

Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

Employees did not have a current TB test.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
