III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 330.1803 Facility environment; fire safety.

(3) A facility that has a capacity of 4 or more clients shall conduct and document fire drills at least once during daytime, evening, and sleeping hours during every 3 month period.

At the time of inspection, fire drills were not completed during all required time frames. Drills were not completed during sleeping hours.

R 330.1803 Facility environment; fire safety.

(6) Evacuation assessments shall be conducted within 30 days after the admission of each new client and at least annually thereafter. The specialized program shall forward a copy of each completed assessment to the responsible agency and retain a copy in the home for inspection. A home that is assessed as having an evacuation difficulty index of "impractical" using appendix f of the life safety code of the national fire protection association shall have a period of 6 month from the date of the finding to either of the following:

(a) Improve the score to at least the "slow" category.

(b) Bring the home into compliance with the physical plant standards for "Impractical" homes contained in chapter 21 of the 1985 life safety code of the national fire protection association, which are adopted by reference in these rules and which may be obtained from the Department of Mental Health, Lewis Cass Building, Lansing, MI 48913, at cost, or from the National Fire Protection Association Library, Battermarch Park, P.O. Box 9101, Quincy, Massachusetts 02269-9101, 1-800-344-3555. A prepaid fee may be required by the national fire protection association for a copy of the chapter 21 standards. A price quote for copying of these pages may be obtained from the national fire protection association.

Evacuation E-scores were not completed with 30 days of resident admissions.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(6) A licensee shall annually review the health status of the administrator, direct care staff, other employees, and members of the household. Verification of annual reviews shall be maintained by the home and shall be available for department review.

At the time of inspection, staff file did have verification of health status.

A corrective action plan was requested and approved on 10/14/2021. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended upon receipt of an approved fire inspection.
