Dear Mrs. Jones:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

Shatonla Daniel, Licensing Consultant Bureau of Community and Health Systems Cadillac Pl. Ste 9-100 3026 W. Grand Blvd Detroit, MI 48202 (313) 919-3003

#### **III. DESCRIPTION OF FINDINGS & CONCLUSIONS**

This facility was found to be in non-compliance with the following rules:

#### R 400.14203 Licensee and administrator training requirements.

- (1) A licensee and an administrator shall complete the following educational requirements specified in subdivision (a) or (b) of this subrule, or a combination thereof, on an annual basis:
- (a) Participate in, and successfully complete, 16 hours of training designated or approved by the department that is relevant to the licensee's admission policy and program statement.
- (b) Have completed 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as approved by the department.

At the time of inspection, Licensee Designee/ Administrator failed to participate in, and successfully complete, 16 hours of training and/or completed 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as approved by the department.

### R 400.14204 Direct care staff; qualifications and training.

- (3) A licensee or administrator shall provide in-service training or make training available through other sources to direct care staff. Direct care staff shall be competent before performing assigned tasks, which shall include being competent in all of the following areas:
  - (a) Reporting requirements.
  - (b) First aid.
  - (c) Cardiopulmonary resuscitation.
  - (d) Personal care, supervision, and protection.
  - (e) Resident rights.
  - (f) Safety and fire prevention.
  - (g) Prevention and containment of communicable diseases.

At the time of inspection, Staff- Michelle Cochran employee file reviewed did not contain first aid and cardiopulmonary resuscitation.

#### R 400.14205

Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(6) A licensee shall annually review the health status of the administrator, direct care staff, other employees, and members of the household. Verification of annual reviews shall be maintained by the home and shall be available for department review.

At the time of inspection, Staff- Michelle Cochran employee file reviewed did not contain an annual verification of health status for 2020 and 2021.

#### R 400.14301

Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

At the time of inspection, Resident A records reviewed did not contain a health care appraisal for 2021.

#### R 400.14301

Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(4) At the time of admission, and at least annually, a written assessment plan shall be completed with the resident or the

resident's designated representative, the responsible agency, if applicable, and the licensee. A licensee shall maintain a copy of the resident's written assessment plan on file in the home.

At the time of inspection, Resident A records reviewed did not contain written assessment plans for 2021 and 2022.

#### R 400.14312 Resident medications.

- (4) When a licensee, administrator, or direct care staff member supervises the taking of medication by a resident, he or she shall comply with all of the following provisions:
- (b) Complete an individual medication log that contains all of the following information:
  - (i) The medication.
  - (ii) The dosage.
  - (iii) Label instructions for use.
  - (iv) Time to be administered.
- (v) The initials of the person who administers the medication, which shall be entered at the time the medication is given.
- (vi) A resident's refusal to accept prescribed medication or procedures.

At the time of inspection, Resident A medication administration report reviewed, showed staff failed to initial Benztropine Mesylate 1mg and Quetiapine Fumarate ER 400 mg on 12/31/2021 at the 8:00pm dosage.

#### R 400.14313 Resident nutrition.

(6) Records of menus, including special diets, shall be kept by the licensee for 1 calendar year.

At the time of inspection, the licensee failed to maintain a record of menus for one calendar year.

## R 400.14315 Handling of resident funds and valuables.

(3) A licensee shall have a resident's funds and valuables transaction form completed and on file for each resident. A department form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

At the time of inspection, Resident A records reviewed did not contain Resident Funds Part I in the file.

R 400.14506 Fire extinguishers; location, examination, and maintenance.

(2) Fire extinguishers shall be examined and maintained as recommended by the manufacturer.

At the time of inspection, I observed three fire extinguishers that had not been serviced since 2019.

#### IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
