RE: License #: AS820407427
A Heart That Cares LLC
25345 Haskell St
Taylor, MI 48180

Dear Ms. Tabot:

Attached is the Renewal Licensing Study Report for the facility referenced above. You have submitted an acceptable written corrective action plan addressing the violations cited in the report. To verify your implementation and compliance with this corrective action plan:

- You are to submit a Statement of Correction.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in cursive script that reads "Regina Buchanan".

Regina Buchanan, Licensing Consultant

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14208

Direct care staff and employee records.

(1) A licensee shall maintain a record for each employee. The record shall contain all of the following employee information:

(a) Name, address, telephone number, and social security number.

(b) The professional or vocational license, certification, or registration number, if applicable.

(c) A copy of the employee's driver license if a direct care staff member or employee provides transportation to residents.

(d) Verification of the age requirement.

(e) Verification of experience, education, and training.

(f) Verification of reference checks.

(g) Beginning and ending dates of employment.

(h) Medical information, as required.

(i) Required verification of the receipt of personnel policies and job descriptions.

Staff, Tuzi Kalmar, did not have verification of education and a physical health statement on file.

R 400.14301

Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

Resident A did not have a health care appraisal completed within 90 days before admission to the home. She was admitted 11/23/2021 and her health care appraisal was completed on 03/03/2022.

R 400.14310 Resident health care.

(3) A licensee shall record the weight of a resident upon admission and monthly thereafter. Weight records shall be kept on file for 2 years.

Resident A's weight was not recorded at the time of admission.

R 400.14312 Resident medications.

(4) When a licensee, administrator, or direct care staff member supervises the taking of medication by a resident, he or she shall comply with all of the following provisions:

(b) Complete an individual medication log that contains all of the following information:

(i) The medication.

(ii) The dosage.

(iii) Label instructions for use.

(iv) Time to be administered.

(v) The initials of the person who administers the medication, which shall be entered at the time the medication is given.

(vi) A resident's refusal to accept prescribed medication or procedures.

Resident A had some medications that were not initialed as administered and some medications that were not documented on the medication log sheet.

R 400.14318 Emergency preparedness; evacuation plan; emergency transportation.

(5) A licensee shall practice emergency and evacuation procedures during daytime, evening, and sleeping hours at least once per quarter. A record of the practices shall be maintained and be available for department review.

There were no fire drills completed during sleeping hours.

R 400.14401 Environmental health.

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

The hot water temperature was 154 degrees Fahrenheit.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
