**ALLEGATION:**

Resident A was given a 30-day eviction notice on March 22, 2022. Family Member 1 moved Resident A out of the facility on April 1, 20022. When Family Member 1 went to the facility to get his wallet, all his money was gone.

**INVESTIGATION:**

On April 12, 2022, I conducted an unannounced onsite investigation and interviewed Staff Yolanda Anderson. Ms. Anderson could not provide any information about Resident A's funds and said he moved out and she did not know where he is living.

On April 13, 2022, I received a telephone call from Licensee Fatima Mayo. Licensee Mayo stated when Resident A left her facility, he never came back. Licensee Mayo indicated that while Resident A was in her facility, he "tore up a new box spring and tore the boards off the wall of the bathroom." Licensee Mayo said it was a new box spring that she had purchased. Licensee Mayo stated Resident A got \$44 a month and he managed all his money. Licensee Mayo stated she did not see or handle his money. Licensee Mayo indicated he hardly ever left the home but would give money to his friends to buy him things from the store. Licensee Mayo said his behaviors were getting worse and she gave him a 30-day notice.

On April 14, 2022, I telephoned Complainant 1, but the voicemail was full, and I could not leave a message.

On May 13, 2022, I conducted an onsite investigation and interviewed Licensee Mayo. Licensee Mayo provided me with a copy of Resident A's *Resident Funds and Valuables Part II* which indicated that Resident A had paid for rent for all of 2022. Because she did not keep funds for Resident A, she did not have a *Resident Funds and Valuables Part II* for his personal funds.

<b>APPLICABLE RULE</b>	
<b>R 400.14315</b>	<b>Handling of resident funds and valuables.</b>
	<b>(9) A resident's account shall be individual to the resident. A licensee shall be prohibited from having any ownership interest in a resident's account and shall verify such in written statement to the resident or the resident's designated representative.</b>
<b>ANALYSIS:</b>	Licensee Fatima Mayo does not keep money for Resident A. Licensee Mayo stated Resident A received \$44 a month and kept his own money. There is no evidence to confirm violation of this rule.
<b>CONCLUSION:</b>	<b>VIOLATION NOT ESTABLISHED</b>

**ADDITIONAL FINDINGS:**

**INVESTIGATION:**

On May 13, 2022, I asked Licensee Mayo for a copy of her refund policy. Licensee Mayo said she does not have a written policy and it is verbal only.

On May 13, 2022, I conducted a face-to-face exit conference with Licensee Fatima Mayo. I advised Licensee Mayo that she must have a written refund policy.

<b>APPLICABLE RULE</b>	
<b>R 400.14315</b>	<b>Handling of resident funds and valuables.</b>
	<b>(14) A licensee shall have a written refund agreement with the resident or his or her designated representative. The agreement shall state under what conditions a refund or the unused portion of the monthly charge that is paid to the home shall be returned to the resident or his or her designated representative. The refund agreement shall provide for, at a minimum, refunds under any of the following conditions: (c) When a resident has been determined to be at risk due to substantial noncompliance with these licensing rules which results in the department taking action to issue a provisional license or to revoke or summarily suspend, or refuse to renew, a license and the resident relocates. The amount of the monthly charge that is returned to the resident shall be based upon the written refund agreement and shall be prorated based on the number of days that the resident lived in the home during that month.</b>
<b>ANALYSIS:</b>	On May 13, 2022, I asked Licensee Fatima Mayo for a copy of her refund policy. Licensee Mayo stated she does not have a refund policy and that it is verbal only. I confirm violation of this rule.
<b>CONCLUSION:</b>	<b>VIOLATION ESTABLISHED</b>

**IV. RECOMMENDATION**

Upon receipt of an acceptable corrective action plan, I recommend the status of this adult foster care small group home license remain unchanged (capacity1-6).
