III. METHODOLOGY

03/17/2022	Special Investigation Intake 2022A0101015
03/17/2022	Referral received from APS and ORR
03/17/2022	Special Investigation Initiated - Telephone Designated Person/Administrator
03/20/2022	Contact - Document Received
05/11/2022	Inspection Completed-BCAL Sub. Compliance
05/11/202	Exit Conference, received text message from the licensee designee Annett Uduji to conduct exit conference with the administrator Emmanuel Uduji.

ALLEGATION: On 3/16/2022, at 5:00 am, staff went to wake Resident A up for his shower. Resident A was not in his bed, and he was not in the home.

INVESTIGATION: On 03/17/2022, I spoke with the administrator, Emmanuel Uduji. Mr. Uduji stated when direct care staff (DCS), Paulinus Uwakwe, was in the bathroom when Resident A left the house. Home manager, Sharon Shadrek, eventually found Resident A at Beaumont-Wayne Hospital.

On 03/20/2022, Mr. Uduji forwarded me a copy of Resident A's 2022 assessment plan and his current treatment plan dated 11/04/2021. Neither the assessment plan nor treatment plan states Resident A has an unacceptable behavior of elopement. However, the assessment plan states Resident A cannot move independently in the community due to his unsteady gait.

On 05/11/2022, I reviewed Resident A's resident record. Resident A does not have a guardian. Resident A's diagnosis is Schizoaffective disorder, Bipolar type.

Resident A has a history of auditory hallucinations, mood swings and delusional thoughts. Resident A's resident record also contained Resident A's 2018 assessment plan and his 2019 treatment plan which both states Resident A has an unacceptable behavior of elopement. The 2018 assessment plan and 2019 treatment plan did not provide any interventions to address Resident A's unacceptable behavior of elopement.

On 05/11/2022, I interviewed Resident A. Due to Resident A's mental health symptoms auditory hallucinations, and delusional thoughts, Resident A was not able to provide any coherent thoughts or information.

On 05/11/2022, I spoke with Mr. Uduji. Mr. Uduji disputed the findings. He contended it is the responsible agency who is not giving Annett Uduji, licensee designee, the resources to address unacceptable behaviors. Mr. Uduji stated he will probably be discharging Resident A because if the responsible agency provides one on one staffing you cannot find staff. Mr. Uduji stated he will be requesting a meeting with the responsible agency to apprise them of the findings in this special investigation.

APPLICABLE RULE	
R 400.14307	Resident behavior interventions generally.
	(2) Interventions to address unacceptable behavior shall be specified in the written assessment plan and employed in accordance with that plan. Interventions to address unacceptable behavior shall also ensure that the safety, welfare, and rights of the resident are adequately protected. If a specialized intervention is needed to address the unique programmatic needs of a resident, the specialized intervention shall be developed in consultation with, or obtained from, professionals who are licensed or certified in that scope of practice.

ANALYSIS:	<p>Unbeknownst to DCS Paulinus Uwakwe on 03/16/2022, at 5:00 a.m., Resident A left the home.</p> <p>Resident A's 2018 assessment plan and his 2019 treatment plan both states Resident A has an unacceptable behavior of elopement.</p> <p>Resident A's assessment plans and treatment plans did not provide any interventions to address Resident A's unacceptable behavior of elopement.</p>
CONCLUSION:	VIOLATION ESTABLISHED

ADDITIONAL FINDING(S):

INVESTIGATION: On 05/11/2022, I reviewed Resident A's resident record. Resident A was admitted into the Eastlawn Adult Foster Care (AFC) home on 10/15/2015. Resident A has an unacceptable behavior of elopement. On 05/11/2022 I spoke with Mr. Uduji. Mr. Uduji stated he went to the responsible agency and requested one on one staffing to address Resident A's elopement behavior. Mr. Uduji stated his request was denied. No intervention to address this behavior has been implemented.

APPLICABLE RULE	
R 400.14301	Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.
	<p>(2) A licensee shall not accept or retain a resident for care unless and until the licensee has completed a written assessment of the resident and determined that the resident is suitable pursuant to all of the following provisions:</p> <p>(a) The amount of personal care, supervision, and protection that is required by the resident is available in the home.</p> <p>(b) The kinds of services, skills, and physical accommodations that are required of the home to meet the resident's needs are available in the home.</p> <p>(c) The resident appears to be compatible with other residents and members of the household.</p>

ANALYSIS:	Resident A was admitted into this home on 10/15/2015. Resident A has an unacceptable behavior of elopement. On 05/11/2022, I spoke with Mr. Uduji. Mr. Uduji stated he went to the responsible agency and requested one on one staffing to address Resident A's elopement behavior. Mr. Uduji stated his request was denied. No intervention to address Resident A's elopement behavior has been implemented. Therefore, it is concluded the licensee is retaining a resident and cannot provide the amount of supervision and protection he requires.
CONCLUSION:	VIOLATION ESTABLISHED
