Dear Mr. Johnson:

An administrative review of your licensing activity for the past year has revealed substantial compliance with the public health code and administrative rules regulating home for the aged facilities. Therefore, in accordance with MCL 333.20155(1) Home for the Aged license renewed will be renewed upon receipt of the paid license renewal fee and upon receipt of an approved BFS fire safety rating. There is currently no BFS fire safety rating on file for your facility. Once these items are received by the department, then the 12-month regular license will be issued, and it will be valid only at the address listed and is not transferable.

Please review the enclosed documentation for accuracy and contact me with any questions. In the event I am not available, and you need to speak to someone immediately, please feel free to contact the local office at (616) 356-0100.

Sincerely,

Julie Viviano, Licensing Staff
