## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

### A. Physical Description of Facility

The Ohana Adult Foster Care home is a large ranch style single story structure located in rural eastern Wexford County, Michigan. The facility has 12 single occupancy resident bedrooms, four full resident bathrooms, two large living rooms, a kitchen and laundry facilities. The home is wheelchair accessible and has four approved means of egress all equipped with ramps.

The furnace and hot water heater are located in a room that is constructed of material that has a 1-hour-fire-resistance rating. The facility is equipped with interconnected, hardwire smoke detection system, with battery backup, which was installed by a licensed electrician and is fully operational. The facility is equipped with an approved pull station alarm system.

On January 7, 2022, the home was inspected by the Bureau of Fire Services. An "Approved" fire safety certification was recommended.

On October 4, 2021, the home was inspected by the District #10/ Wexford County Health Department who determined that the home is in substantial compliance with applicable rules pertaining to environmental health, water supply and sewage disposal.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total usable square footage	Total Resident Beds
-----------	-----------------	-----------------------------	---------------------

1, 2, 3, 4, 5 & 6	9'3" X 10'8"	80	1 each per room
7, 8, 9, 10, 11 & 12	10'4" X 10'9"	102	1 each per room

- Note: usable bedroom square footage is less than room dimension due to closet space being deducted from overall room dimension.

The living, dining, and sitting room areas measure a total of 918 square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.
