### III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

**R 400.14204            Direct care staff; qualifications and training.**

**(3) A licensee or administrator shall provide in-service training or make training available through other sources to direct care staff. Direct care staff shall be competent before performing assigned tasks, which shall include being competent in all of the following areas:**

- (a) Reporting requirements.**
- (b) First aid.**
- (c) Cardiopulmonary resuscitation.**
- (d) Personal care, supervision, and protection.**
- (e) Resident rights.**
- (f) Safety and fire prevention.**
- (g) Prevention and containment of communicable diseases.**

Direct care worker, Eki Cole's record does not contain verification that she completed training prior to assuming her job duties. Eki's date of hire is 2/1/21; however, all training was completed on or after 7/28/21.

**R 400.14205            Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.**

**(6) A licensee shall annually review the health status of the administrator, direct care staff, other employees, and members of the household. Verification of annual reviews shall be maintained by the home and shall be available for department review.**

Eki Cole did not complete an annual health review statement in 2022; the statement was due in May.

**R 400.14310            Resident health care.**

**(3) A licensee shall record the weight of a resident upon admission and monthly thereafter. Weight records shall be kept on file for 2 years.**

A.M. has no weight records on file for 2/22 or 3/22. The licensee indicated A.M. was in the hospital at this time, but the statements provided (incident reports and medication charts) by Ms. Uwaifo demonstrate A.M. was in the hospital August-Sept 2022.

**R 400.14312 Resident medications.**

(4) When a licensee, administrator, or direct care staff member supervises the taking of medication by a resident, he or she shall comply with all of the following provisions:

(a) Be trained in the proper handling and administration of medication.

Eki Cole's medication training certificate is dated 8 months after her start date.

**R 400.14315 Handling of resident funds and valuables.**

(11) A licensee shall obtain prior written approval from a resident and his or her designated representative before charges are made to a resident's account.

The licensee checked the box that she does **not** agree to maintain funds or valuables in trust for residents on the Resident Care Agreements; however, the licensee does manage cash for residents as indicated on the Resident Funds II.

**IV. RECOMMENDATION**

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
