Dear Ms Amadi:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in black ink that reads "LaKeitha Stevens". The signature is written in a cursive, flowing style.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(2) A licensee shall have, on file with the department, a statement that is signed by a licensed physician or his or her designee attesting to the physician's knowledge of the physical health of the licensee and administrator. The statement shall be signed within 6 months before the issuance of a temporary license and at any other time requested by the department.

At the time inspection the licensee designee failed to provide documentation of a current physician statement.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(4) A licensee shall provide the department with written evidence that he or she and the administrator have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken. The results of subsequent testing shall be verified every 3 years thereafter.

At the time inspection the licensee designee failed to provide documentation of a current TB testing.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal

be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

Resident health care appraisal was not completed within 30 days of admission.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(4) At the time of admission, and at least annually, a written assessment plan shall be completed with the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee. A licensee shall maintain a copy of the resident's written assessment plan on file in the home.

At the time of inspection Resident Assessment plan was not in the file and available for review.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(6) At the time of a resident's admission, a licensee shall complete a written resident care agreement. A resident care agreement is the document which is established between the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee and which specifies the responsibilities of each party. A resident care agreement shall include all of the following:

(a) An agreement to provide care, supervision, and protection, and to assure transportation services to the resident as indicated in the resident's written assessment plan and health care appraisal.

(b) A description of services to be provided and the fee for the service.

(c) A description of additional costs in addition to the basic fee that is charged.

(d) A description of the transportation services that are provided for the basic fee that is charged and the transportation services that are provided at an extra cost.

(e) An agreement by the resident or the resident's designated representative or responsible agency to provide necessary intake information to the licensee, including health-related information at the time of admission.

(f) An agreement by the resident or the resident's designated representative to provide a current health care appraisal as required by subrule (10) of this rule.

(g) An agreement by the resident to follow the house rules that are provided to him or her.

(h) An agreement by the licensee to respect and safeguard the resident's rights and to provide a written copy of these rights to the resident.

(i) An agreement between the licensee and the resident or the resident's designated representative to follow the home's discharge policy and procedures.

(j) A statement of the home's refund policy. The home's refund policy shall meet the requirements of R 400.14315.

(k) A description of how a resident's funds and valuables will be handled and how the incidental needs of the resident will be met.

(l) A statement by the licensee that the home is licensed by the department to provide foster care to adults.

At the time of inspection Resident Care Agreement was not signed by the guardian.

R 400.14507 Means of egress generally.

(5) A door that forms a part of a required means of egress shall be not less than 30 inches wide and shall be equipped with positive-latching, non-locking-against-egress hardware.

At the time of inspection, the bathroom and bedroom door were equipped with locking against egress hardware.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
