Dear Ms. Bettig:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your facility on 11/29/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for an Adult Foster Care small group home.

There were no rule violations.

The proof of annual training (16- hours), for the licensee and administrator, is due by January 6, 2023.

Your facility was found to be in compliance with the requirements of Act No. 218 of the Public Acts of 1979, as amended and the applicable Administrative Rules.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (313) 456-0380.
