Dear Mrs. Bartlett:

Attached is the Renewal Licensing Study Report for the facility referenced above. You have submitted an acceptable written corrective action plan on January 10, 2022 addressing the violations cited in the report. To verify your implementation and compliance with this corrective action plan:

 You are to submit documentation of compliance. Please email copies of staff TB Tests and Annual Health Reviews.

The study has determined substantial compliance with applicable licensing statutes and administrative rules. Therefore, your license is renewed. It is valid only at your present address and is nontransferable.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely.

#### III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was determined to be in substantial compliance with rules and requirements.

This facility was found to be in non-compliance with the following rules:

R 400.15205

Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

Many direct care staff due not have a current TB test in their employment file.

R 400.15205

Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(6) A licensee shall annually review the health status of the administrator, direct care staff, other employees, and members of the household. Verification of annual reviews shall be maintained by the home and shall be available for department review.

The direct care staff do not have an annual review of their health completed and in their employment file.

A corrective action plan was requested and approved on 01/10/2023. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

## IV. RECOMMENDATION

I recommend issuance of a 2-year regular adult foster care license.
