III. DESCRIPTION OF FINDINGS & CONCLUSIONS

The evaluation is based upon the requirements of P.A. 218 of the Michigan Public Acts of 1979, as amended, and the Administrative Rules and Regulations applicable to the license of small group facilities (1-6), licensed or proposed to be licensed after 05/24/1974.

A. Physical Description of Facility

Jerome is a one-story small adult foster care home located in Sterling Heights, MI. The licensee for the home is Adult Learning Systems-Lower Michigan. Sherri Turner will act as the licensee designee. Tracie Shier will act as the administrator for the home. The home is owned Adult Learning Systems-Lower Michigan. A copy of the warranty deed was provided for proof of ownership. The home has city water and sewer.

Jerome has a living room, family room, kitchen, dining area, three bedrooms, two resident bathrooms, laundry room and basement. The living room and family room offer a total of 642 square feet which meets the required 35 square feet per person for six residents.

The three bedrooms in the home are sized as follows:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1	10'10" x 10'8"	115	1
2	12'11" x 10'8"	137	2
3	15'4" x 11'8"	178	2

Total capacity: 5

All three bedrooms have adequate space, bedding and storage. All the bedrooms have a chair, mirror and window that opens. During the onsite inspection, I observed that the home was found to be in substantial compliance with rules pertaining to maintenance and sanitation.

The home has interconnected smoke detectors. There is a fire extinguisher on each floor of the home. The dryer has a metal vent. The bathroom and bedrooms doors have non-locking against egress hardware. The water temperature was found to be between 105-120 degrees Fahrenheit. There is a locked medication cart in laundry room for medications to be stored.

B. Program Description

The Jerome home will provide 24-hour care, supervision, and protection for up to five residents. The residential group home is for males and females with mental illness and developmental disabilities who require a structured setting but no longer require inpatient psychiatric care. Diagnosis may vary and include co-occurring disorders and substance abuse issues. The home will provide services to residents including assistance with personal hygiene, self-care, medication management, medical care, social skills, recreational and vocational activities, transportation, advocacy and support and reintegration into the community.

A copy of the staffing pattern for the home was provided. The home will have two staff on morning and afternoon shift and one staff per midnight shift.

Sherri Turner will act as the licensee designee for the facility. Ms. Turner has been fingerprinted and previously approved as a licensee designee. Ms. Turner has been the Executive Director of Adult Learning Systems-Lower Michigan since 1998. Ms. Turner has a master's degree in Public Health from Baker Collage and bachelor's degree in health administration from Eastern Michigan University. Ms. Turner provided a medical statement dated 10/04/2022 and had a negative TB test dated 04/07/2021.

Ms. Turner acknowledged an understanding of the qualifications, suitability, and training requirements for direct care staff prior to each person working in the facility in that capacity or being considered as part of the staff-to-resident ratio.

Ms. Turner has acknowledged an understanding of the responsibility to assess the good moral character of employees and contractors who have regular, ongoing, or direct access to residents or the resident information or both. The licensing consultant provided technical assistance on the process for obtaining criminal record checks utilizing the Michigan Long Term Care Partnership website (www.miltcpartnership.org) and the related documents required to be maintained in each employee's record to demonstrate compliance.

Ms. Turner acknowledged an understanding of the administrative rules regarding medication procedures and that only those direct care staff that have received medication training and have been determined competent by the licensee designee can administer medication to residents. In addition, Ms. Turner acknowledged that resident medication will be stored in a locked cabinet and that daily medication logs will be maintained on each resident receiving medication.

Ms. Turner acknowledged her responsibility to obtain all required moral character, medical, and training documentation and signatures that are to be completed prior to each direct care staff or volunteer working directly with residents. In addition, Ms. Turner acknowledged her responsibility to maintain all required documentation in each employee's record for each licensee designee, administrator, and direct care staff or volunteer and follow the retention schedule for those documents contained within each employee's record.

Ms. Turner acknowledged an understanding of the administrative rules regarding the admission criteria and procedural requirements for accepting a resident into the home for adult foster care.

Ms. Turner acknowledged her responsibility to obtain the required written assessment plan, resident care agreement, and health care appraisal forms and signatures that are to be completed prior to, or at the time of each resident's admission to the home. Ms. Turner will update and complete those forms and obtain new signatures for each resident on an annual basis.

Ms. Turner acknowledged her responsibility to maintain a current resident record on file in the home for each resident and follow the retention schedule for all the documents that are required to be maintained within each resident's file.

Ms. Turner acknowledged an understanding of the administrative rules regarding the handling of resident funds and valuables and intends to comply. A separate Resident Funds Part II BCAL-2319 form will be created for each resident in order to document the date and amount of the adult foster care service fee paid each month and; all of the resident's personal money transactions that have been agreed to be managed by the licensee designee.

Ms. Turner acknowledged an understanding of the administrative rules regarding informing each resident of their resident rights and providing them with a copy of those rights.

Ms. Turner acknowledged an understanding of the administrative rules regarding the written and verbal reporting of incidents and accidents and the responsibility to conduct an immediate investigation of the cause.

Ms. Turner acknowledged her responsibility to provide a written discharge notice to the appropriate parties when a 30-day or less than 30-day discharge is requested.
