III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14203 Licensee and administrator training requirements.

(1) A licensee and an administrator shall complete the following educational requirements specified in subdivision (a) or (b) of this subrule, or a combination thereof, on an annual basis:

(a) Participate in, and successfully complete, 16 hours of training designated or approved by the department that is relevant to the licensee's admission policy and program statement.

(b) Have completed 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as approved by the department.

The licensee designee Victoria Svet, did not complete 16 hours of training in 2021.

R 400.14210 Resident register.

A licensee shall maintain a chronological register of residents who are admitted to the home. The register shall include all of the following information for each resident:

(a) Date of admission.

The resident register did not have the correct admission date for Resident A.

R 400.14306 Use of assistive devices.

(3) Therapeutic supports shall be authorized, in writing, by a licensed physician. The authorization shall state the reason for the therapeutic support and the term of the authorization.

REPEAT VIOLATION ESTABLISHED LSR CAP APPROVED 09/29/21

All of the residents have a hospital bed however; there are no prescriptions for the beds or for any of the assistive devices for Resident A or Resident B.

R 400.14310 Resident health care.

(3) A licensee shall record the weight of a resident upon admission and monthly thereafter. Weight records shall be kept on file for 2 years.

Resident A was not weighed at the time of admission.

R 400.14312 Resident medications.

(1) Prescription medication, including dietary supplements, or individual special medical procedures shall be given, taken, or applied only as prescribed by a licensed physician or dentist. Prescription medication shall be kept in the original pharmacy-supplied container, which shall be labeled for the specified resident in accordance with the requirements of Act No. 368 of the Public Acts of 1978, as amended, being {333.1101 et seq. of the Michigan Compiled Laws, kept with the equipment to administer it in a locked cabinet or drawer, and refrigerated if required.

Resident A A&D ointment was not being kept in a locked cabinet as it was in the bathroom during the onsite. During the onsite, I observed several evening medications were taken out of the bubble packets before it was time to administer the medications on 09/07/23.

R 400.14312 Resident medications.

(4) When a licensee, administrator, or direct care staff member supervises the taking of medication by a resident, he or she shall comply with all of the following provisions:

(b) Complete an individual medication log that contains all of the following information:

(v) The initials of the person who administers the medication, which shall be entered at the time the medication is given.

There was a missing staff initial for Resident A's Nitrofuratoin for the morning of 09/07/23.

R 400.14313 Resident nutrition.

(4) Menus of regular diets shall be written at least 1 week in advance and posted. Any change or substitution shall be noted and considered as part of the original menu.

There are 13 days on the menu for September that does not list a meal as it says "chef choice".

R 400.14401 Environmental health.

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

The water temperature is 126 degrees Fahrenheit in the kitchen.

R 400.14402 Food service.

(3) All perishable food shall be stored at temperatures that will protect against spoilage. All potentially hazardous food shall be kept at safe temperatures. This means that all cold foods are to be kept cold, 40 degrees Fahrenheit or below, and that all hot foods are to be kept hot, 140 degrees Fahrenheit or above, except during periods that are necessary for preparation and service. Refrigerators and freezers shall be equipped with approved thermometers.

The freezer does not have a thermometer in it.

R 400.14407 Bathrooms.

(1) Bathrooms and toilet facilities that do not have windows shall have forced ventilation to the outside. Bathroom windows that are used for ventilation shall open easily.

The bathroom ventilation system is not working properly.

R 400.14408

Bedrooms generally.

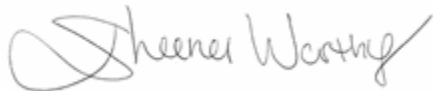

(4) Interior doorways of bedrooms that are occupied by residents shall be equipped with a side-hinged, permanently mounted door that is equipped with positive-latching, nonlocking-against-egress hardware.

Resident A bedroom door is not equipped with positive latching.

A corrective action plan was requested and approved on 09/06/2023. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
