RE: License #: AS820279800  
**Kenyata's AFC**  
**8136 Sirron**  
**Detroit, MI 48234**

Dear Mrs. Hamilton-Carter:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in cursive script that reads "Shatonla Daniel".

**III. DESCRIPTION OF FINDINGS & CONCLUSIONS**

This facility was found to be in non-compliance with the following rules:

**R 330.1806**

**Staffing levels and qualifications.(2) All staff who work independently and staff who function as lead workers with clients shall have successfully completed a course of training which imparts basic concepts required in providing specialized dependent care and which measures staff comprehension and competencies to deliver each client's individual plan of service as written. Basic training shall address all the following areas:**

(2) All staff who work independently and staff who function as lead workers with clients shall have successfully completed a course of training which imparts basic concepts required in providing specialized dependent care and which measures staff comprehension and competencies to deliver each client's individual plan of service as written. Basic training shall address all of the following areas:

(a) An introduction to community residential services and the role of direct care staff.

(b) An introduction to the special needs of clients who have developmental disabilities or have been diagnosed as having a mental illness. Training shall be specific to the needs of clients to be served by the home.

(c) Basic interventions for maintaining and caring for a client's health, for example, personal hygiene, infection control, food preparation, nutrition and special diets, and recognizing signs of illness.

(d) Basic first aid and cardiopulmonary resuscitation

(e) Proper precautions and procedures for administering prescriptive and nonprescriptive medications.

(f) Preventing, preparing for, and responding to environmental emergencies, for example, power failures, fires, and tornados.

(g) Protecting and respecting the rights of clients, including providing client orientation with respect to the written policies and procedures of the licensed facility.

(h) Non-aversive techniques for the prevention and treatment of challenging behavior of clients.

At the time of inspection, Staff- Malinda Smith employee file reviewed did not contain basic first aid and cardiopulmonary resuscitation at the time of hire.

**R 400.14301      Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.**

(9) A licensee shall review the written resident care agreement with the resident or the resident's designated representative and responsible agency, if applicable, at least annually or more often if necessary.

At the time of inspection, Resident A's records reviewed did not contain a signed resident care agreement by the licensee designee for 2022.

**R 400.14316      Resident records.**

- (1) A licensee shall complete, and maintain in the home, a separate record for each resident and shall provide record information as required by the department. A resident record shall include, at a minimum, all of the following information:
- (a) Identifying information, including, at a minimum, all of the following:
    - (i) Name.
    - (ii) Social security number, date of birth, case number, and marital status.
    - (iii) Former address.
    - (iv) Name, address, and telephone number of the next of kin or the designated representative.
    - (v) Name, address, and telephone number of the person and agency responsible for the resident's placement in the home.
    - (vi) Name, address, and telephone number of the preferred physician and hospital.
    - (vii) Medical insurance.
    - (viii) Funeral provisions and preferences.
    - (ix) Resident's religious preference information.

At the time of inspection, Residents A- C records reviewed did not contain funeral provisions and preferences.

**R 400.14318            Emergency preparedness; evacuation plan; emergency transportation.**

(5) A licensee shall practice emergency and evacuation procedures during daytime, evening, and sleeping hours at least once per quarter. A record of the practices shall be maintained and be available for department review.

At the time of inspection, licensee failed to practice and maintain a record of fire drills during sleeping hours in the fourth quarter in 2021.

**R 400.14401            Environmental health.**

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

At the time of inspection, I observed the hot water temperature in the upstairs resident bathroom to be at 80 degrees Fahrenheit.

**R 400.14403            Maintenance of premises.**

(1) A home shall be constructed, arranged, and maintained to provide adequately for the health, safety, and well-being of occupants.

At the time of inspection, I observed dry food goods being stored on the floor in the basement.

**R 400.14408            Bedrooms generally.**

(4) Interior doorways of bedrooms that are occupied by residents shall be equipped with a side-hinged, permanently mounted door that is equipped with positive-latching, nonlocking-against-egress hardware.

At the time of inspection, I observed resident bedrooms #1 and #2 to not be equipped with positive-latching hardware.

**R 400.14503 Interior finishes and materials generally.**

(1) Interior finish materials shall be at least class C materials throughout the adult foster care small group home.

At the time of inspection, I observed paneling in the basement.

**IV. RECOMMENDATION**

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
