RE: License #: AS820382708
Yarbrough AFC I
5557-9 Allendale
Detroit, MI 48204

Dear Virgil Yarbrough:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

A six-month provisional license is recommended. If you do not contest the issuance of a provisional license, you must indicate so in writing; this may be included in your corrective action plan or in a separate document. If you contest the issuance of a provisional license, you must notify this office in writing and an administrative hearing will be scheduled. Even if you contest the issuance of a provisional license, you must still submit an acceptable corrective action plan within 15 days.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in black ink that reads "Regina Buchanan". The signature is written in a cursive, flowing style.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 330.1803 Facility environment; fire safety.

(3) A facility that has a capacity of 4 or more clients shall conduct and document fire drills at least once during daytime, evening, and sleeping hours during every 3-month period.

During the year 2023, there were no fire drills conducted prior to 04/16/2023 and none on file for the year 2022.

R 330.1803 Facility environment; fire safety.

(6) Evacuation assessments shall be conducted within 30 days after the admission of each new client and at least annually thereafter. The specialized program shall forward a copy of each completed assessment to the responsible agency and retain a copy in the home for inspection. A home that is assessed as having an evacuation difficulty index of "impractical" using appendix f of the life safety code of the national fire protection association shall have a period of 6 month from the date of the finding to either of the following:

(a) Improve the score to at least the "slow" category.

(b) Bring the home into compliance with the physical plant standards for "Impractical" homes contained in chapter 21 of the 1985 life safety code of the national fire protection association, which are adopted by reference in these rules and which may be obtained from the Department of Mental Health, Lewis Cass Building, Lansing, MI 48913, at cost, or from the National Fire Protection Association Library, Battermarch Park, P.O. Box 9101, Quincy, Massachusetts 02269-9101, 1-800-344-3555. A prepaid fee may be required by the national fire protection association for a copy of the chapter 21 standards. A price quote for copying of these pages may be obtained from the national fire protection association.

There were no evacuation assessments available for review that were conducted during this licensing period.

R 330.1806 Staffing levels and qualifications.

(2) All staff who work independently and staff who function as lead workers with clients shall have successfully completed a course of training which imparts basic concepts required in providing specialized dependent care and which measures staff comprehension and competencies to deliver each client's individual plan of service as written. Basic training shall address all of the following areas:

(a) An introduction to community residential services and the role of direct care staff.

(b) An introduction to the special needs of clients who have developmental disabilities or have been diagnosed as having a mental illness. Training shall be specific to the needs of clients to be served by the home.

(c) Basic interventions for maintaining and caring for a client's health, for example, personal hygiene, infection control, food preparation, nutrition and special diets, and recognizing signs of illness.

(d) Basic first aid and cardiopulmonary resuscitation

(e) Proper precautions and procedures for administering prescriptive and nonprescriptive medications.

(f) Preventing, preparing for, and responding to environmental emergencies, for example, power failures, fires, and tornados.

(g) Protecting and respecting the rights of clients, including providing client orientation with respect to the written policies and procedures of the licensed facility.

(h) Non-aversive techniques for the prevention and treatment of challenging behavior of clients.

The licensee designee, Virgil Yarbrough, and staff, Jeffrey Yarbrough, did not have on file verification of completion of annual recipient rights training.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(6) A licensee shall annually review the health status of the administrator, direct care staff, other employees, and members of the household. Verification of annual reviews

shall be maintained by the home and shall be available for department review.

The licensee designee, Virgil Yarbrough, who is also the administrator, did not have on file a current physical health statement or health review.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(4) A licensee shall provide the department with written evidence that he or she and the administrator have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken. The results of subsequent testing shall be verified every 3 years thereafter.

The licensee designee, Virgil Yarbrough, did not have verification of updated TB testing on file.

R 400.14203 Licensee and administrator training requirements.

(1) A licensee and an administrator shall complete the following educational requirements specified in subdivision (a) or (b) of this subrule, or a combination thereof, on an annual basis:

(a) Participate in, and successfully complete, 16 hours of training designated or approved by the department that is relevant to the licensee's admission policy and program statement.

(b) Have completed 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as approved by the department.

The licensee designee, Virgil Yarbrough, did not have verification of completion of annual training hours. There was none on file for the year 2022.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have

been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

Staff, Jeffrey Yarbrough, did not have on file verification of updated TB testing.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(6) A licensee shall annually review the health status of the administrator, direct care staff, other employees, and members of the household. Verification of annual reviews shall be maintained by the home and shall be available for department review.

Staff, Jeffrey Yarbrough, did not have on file verification of an updated physical health statement or an annual health review.

REPEAT VIOLATION {RENEWAL INSPECTION 08/05/2021}

R 400.14210 Resident register.

A licensee shall maintain a chronological register of residents who are admitted to the home. The register shall include all of the following information for each resident:

- (a) Date of admission.**
- (b) Date of discharge.**
- (c) Place and address to which the resident moved, if known.**

The resident register could not be located and was not available for review.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the resident's admission to the home. A written health

care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

Resident A did not have any health care appraisals on file.

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(4) At the time of admission, and at least annually, a written assessment plan shall be completed with the resident or the resident's designated representative, the responsible agency, if applicable, and the licensee. A licensee shall maintain a copy of the resident's written assessment plan on file in the home.
