ALLEGATION:

Resident A jumps out in front of traveling cars to ask for money. Resident A will go to neighbor's homes and ask for money.

INVESTIGATION:

On 10/17/2023, I telephoned and interviewed Licensee Designee/ Administrator- Chinyelu Anwunah regarding the above allegations. Ms. Anwunah stated she is aware that Resident A does ask neighbors for money but not aware that he runs to traveling cars. She stated Resident A receives his allowance month and more from his mother. Ms. Anwunah stated Resident A's behavior is to constantly ask for money. She stated Resident A is independent and is allowed to leave the home whenever he signs out.

On 10/24/2023, I telephoned and interviewed Home Manager- Richard Igdinobaro and Staff- Eugene Enaegbu regarding the above allegations. Mr. Igdinobaro stated he has no information about the incident. He stated he does not work directly with residents in the facility. Mr. Igdinobaro stated Resident A will ask anyone for money. However, Mr. Igdinobaro stated Resident A does not go to the neighbors' homes and does not jump in front of traveling cars to ask for money. Mr. Igdinobaro stated staff are to ensure that he is not doing this type of behavior.

Mr. Enaegbu stated he has no direct knowledge of Resident A doing this type of behavior because he works midnights. He stated when he is working in the facility, all of the residents are sleeping.

On 11/03/2023, I completed an onsite inspection and interviewed Staff- Obu Ugwa, Residents A-C, and observed Resident D regarding the above allegations. Mr. Ugwa denied the allegations. He stated he has not observed Resident A going to neighbors' homes asking for money and/or jumping in front of traveling cars to ask for money.

Resident A stated he has asked neighbors for money. Resident A stated, "I did one time, run into the street to a car because I wanted a cigarette."

Resident B stated Resident A runs into the street every day and stops moving cars. Resident B stated Resident A will stop cars to ask for money and cigarettes. Resident B stated staff does not stop him but allows him to do it. Resident B stated this makes me very uncomfortable.

Resident C stated Resident A runs into the street daily to ask for money and cigarettes. Resident C stated Resident A will stop traveling cars and ask them for money. Resident C stated the staff do nothing to stop him.

Resident D refused to be interviewed.

On 11/08/2023, I received Resident A's individual plan of service dated 07/14/2023 from Arab American Chaldean Council. Resident A's individual plan of service does not indicate Resident A has any additional care needs other than adult foster care placement and monitoring by staff.

On 11/27/2023, I telephoned and interviewed Resident A's mother and Akiyanna Robinson- case manager with Heigra Health Services regarding the above allegations. Resident A's mother stated she was made of aware of Resident A's behavior last week. She stated she does provide him with allowance and usually anything he wants and needs. Resident A's mother stated he does receive allowance throughout the month and she purchases other necessities for Resident A. She stated she is unsure why he is doing this behavior. Resident A's mother feels the facility could do more for Resident A but she is not able to visit him as often as she would like therefore, she does not complain.

Ms. Robinson stated she was recently made aware of Resident A's behavior. She stated she has been his case manager for almost two years. She stated it is a part of his behaviors and she is working with her supervisor to determine a plan to assist the facility in curbing Resident A's behaviors. I did discussed with Ms. Robinson that this type of behavior is very problematic and could result in Resident A being injured.

APPLICABLE RULE	
R 400.14305	Resident protection.
	(3) A resident shall be treated with dignity and his or her personal needs, including protection and safety, shall be attended to at all times in accordance with the provisions of the act.
NALYSIS:	<p>Resident A stated he has asked neighbors for money. Resident A stated, "I did one time, run into the street to a car because I wanted a cigarette."</p> <p>Resident B stated Resident A runs into the street every day and stops moving cars. Resident B stated Resident A will stop cars to ask for money and cigarettes. Resident B stated staff does not stop him but allows him to do.</p> <p>Resident C stated Resident A runs into the street daily to ask for money and cigarettes. Resident C stated Resident A will stop traveling cars and ask them for money. Resident C stated the staff do nothing to stop him.</p> <p>Based on the above, there is sufficient evidence to support that Resident A is not being properly safeguard and protected by staff as he is allowed to run into the street stopping cars to ask for money and cigarettes.</p>
CONCLUSION:	VIOLATION ESTABLISHED

IV. RECOMMENDATION
