II. Purpose of Addendum

The purpose of this addendum is to decrease capacity from six residents to four residents.

III. Methodology

On 12/21/2023, I received an email from the administrator Simon Pop stating that they would like to decrease capacity from six residents to four at Lochmoor Home.

On 12/21/2023, I received in writing a letter signed by licensee designee John Mos requesting to decrease Lochmoor Home's capacity of beds from six to four at Lochmoor Home.

IV. Description of Findings and Conclusions

The administrator, Simon Pop, requested to decrease the capacity of the facility from six to four residents.

Bedroom Room	Dimensions	Total Square Feet	Total Resident Beds
1	11'2" x 8;1"	90.25	1
2	12'2" x 11'5"	138.98	1
3	11'9" x 10'1"	118.44	1
4	11'5" x 13'7"	155.08	1

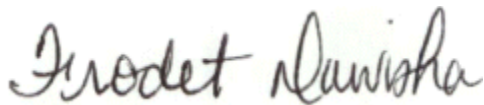

Total capacity: **4**

The living room, family room, and dining room areas offer a total of 361.60 square feet of living space, which exceeds the required 35 square feet of living space for four residents.

It is the licensee's responsibility not to exceed the facility's licensed capacity. Mr. Mos indicated that he would submit a request to modify the license if he wants to change the capacity of the home back to six residents in the future.

V. Recommendation

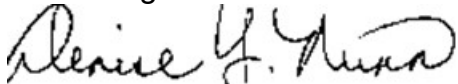

I recommend that the capacity of Lochmoor Home (AS630386851) be decreased from six to four residents.
