RE: License #: AS820344261
Nottingham Residence
38972 Nottingham Dr
Romulus, MI 48174

Dear Ms. Izuegbunam:

Attached is the Renewal Licensing Study Report for the facility referenced above. You have submitted an acceptable written corrective action plan addressing the violations cited in the report. To verify your implementation and compliance with this corrective action plan:

- You are to submit documentation of compliance.
- You are to submit a Statement of Correction.

The study has determined substantial compliance with applicable licensing statutes and administrative rules. Therefore, your license and special certification is renewed. It is valid only at your present address and is nontransferable.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in black ink, appearing to read "D Walker".

Denasha Walker, Licensing Consultant

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14301 Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care appraisal that is completed within the 90-day period before the resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

At the time of inspection, Resident B's resident file did not contain a written health care appraisal that is completed within the 90-day period before admission.

R 400.14315 Handling of resident funds and valuables.

(3) A licensee shall have a resident's funds and valuables transaction form completed and on file for each resident. A department form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

At the time of inspection, Resident B's resident fund's part II form was not thoroughly completed, the form was not completed 09/2023 – 03/2024.

R 400.14403 Maintenance of premises.

(2) Home furnishings and housekeeping standards shall present a comfortable, clean, and orderly appearance.

At the time of inspection, the couch in the living room was worn, torn and not in good repair.

R 400.14511 Flame-producing equipment; enclosures.

(1) If the heating plant is located in the basement of a small group home, standard building material may be used for the floor separation. Floor separation shall also include at least 1 3/4-inch solid core wood door or equivalent to create a floor separation between the basement and the first floor.

At the time of inspection, the was not equipped with at least 1 3/4-inch solid core wood door or equivalent to create a floor separation between the basement and the first floor.

A corrective action plan was requested and approved on 10/03/2024. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license and special certification.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
