### III. DESCRIPTION OF FINDINGS & CONCLUSIONS

#### A. Physical Description of Facility

Memee LLC is in the city Detroit and county of Wayne. The home is a brick ranch style home with full basement. The home has a two-car detached garage. The home consists of three bedrooms and one full bathroom.

The furnace and hot water heater are in the basement with a 1-3/4-inch solid core door equipped with an automatic self-closing device and positive latching hardware located at the bottom of stairs. The facility is equipped with interconnected, hardwire smoke detection system, with battery backup, which was installed by a licensed electrician and is fully operational.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1 (NE)	10.33 X 9.66	99	1
2 (N)	9.83 X 10.92	107	1
3 (S)	13.25 X 11.92	158	2

The living, dining, and sitting room areas measure a total of 249 square feet of living space. This exceeds the minimum of 35 square feet per resident requirement.

Based on the above information, it is concluded that this facility can accommodate **four (4)** residents. It is the licensee's responsibility not to exceed the facility's licensed capacity.

This facility is not wheelchair accessible.

#### B. Program Description

Admission and discharge policies, program statement, refund policy, personnel policies, and standard procedures for the facility were reviewed and accepted as written. The applicant intends to provide 24-hour supervision, protection and personal care to **four (4)** male or female ambulatory adults whose diagnosis is developmentally disabled or mentally impaired, in the least restrictive environment possible. The program will include social interaction skills, personal hygiene, personal adjustment skills, and public safety skills. A personal behavior support plan will be designed and implemented for each resident's social and behavioral developmental needs.

If required, behavioral intervention and crisis intervention programs will be developed as identified in the assessment plan. These programs shall be implemented only by trained staff, and only with the prior approval of the resident, guardian, and the

responsible agency.

The licensee will provide all transportation for program and medical needs. The facility will make provision for a variety of leisure and recreational equipment. It is the intent of this facility to utilize local community resources including public schools and libraries, local museums, shopping centers, and local parks.
