ALLEGATION:

Staff left residents unattended.

INVESTIGATION:

On 8/06/2024, a complaint was received and assigned for investigation alleging that staff left the residents unattended.

On 11/04/2024, I made an unannounced on-site investigation to the home but there was no response. There were no vehicles in the driveway and no lights on inside the home.

On 11/07/2024, I spoke with the licensee designee, Amitkumar Kalasariya by telephone. Mr. Kalasariya stated there were only two residents residing in the facility at the time the incident occurred. The nurse, Laura Kujawski made him aware of the incident and the staff member, Mone Bray who left the residents under the care of Resident A's wife was terminated the next day. He went on to state that there are currently no residents residing in the facility. Resident A moved to a memory care facility and Resident B died. I requested that Mr. Kalasariya provide me a copy of the resident registry, the contact information for Ms. Kujawski, Ms. Bray and Resident A's wife.

On 11/14/2024, I received the requested documents. According to the resident registry, there were only two residents residing in the facility. Resident A was discharged on 8/20/2024 and Resident B died and was discharged on 8/17/2024.

On 11/18/2024, I spoke with the nurse, Laura Kujawski by telephone. Ms. Kujawski stated she received a call (exact date unknown) from Resident A's wife informing her that Ms. Bray asked her if she could watch the residents while she went to the store to pick up a soda. Resident A's wife agreed believing she would only be gone a few minutes. Ms. Bray was gone for more than an hour. Ms. Kujawski said Ms. Bray was terminated the next day.

On 11/18/2024, I conducted an exit conference with the licensee designee, Amitkumar Kalasariya by telephone. I informed Mr. Kalasariya of the investigative findings and recommendation documented in this report. Mr. Kalasariya agreed to submit a corrective action plan upon receipt of this report.

APPLICABLE RULE	
R 400.14305	Resident protection.
	(3) A resident shall be treated with dignity and his or her personal needs, including protection and safety, shall be attended to at all times in accordance with the provisions of the act.

ANALYSIS:	Based on the information obtained from Mr. Kalasariya and Ms. Kujawski, staff member Mone Bray did in fact leave Resident A and Resident B in the home without staffing while she went to the store. Resident A's wife was left alone with both residents for about an hour while Ms. Bray went to the store.
CONCLUSION:	VIOLATION ESTABLISHED

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, I recommend no change to the status of the license.
