Milan, MI 48160

Dear Ms. Doss:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in blue ink that reads "Pandrea Robinson". The signature is fluid and cursive, with the first name "Pandrea" and last name "Robinson" clearly legible.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was determined to be in substantial compliance with rules and requirements.

This facility was found to be in non-compliance with the following rules:

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(3) A licensee shall maintain, in the home, and make available for department review, a statement that is signed by a licensed physician or his or her designee attesting to the physician's knowledge of the physical health of direct care staff, other employees, and members of the household. The statement shall be obtained within 30 days of an individual's employment, assumption of duties, or occupancy in the home.

At the time of inspection, 2 of 3 employee records reviewed contained physicals that were not completed within 30 days of assumption of duties.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

At the time of inspection, 3 of 3 employee records reviewed contained TB testing results that were not completed prior to the employee's assumption of duties.

R 400.14205 Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.

(6) A licensee shall annually review the health status of the administrator, direct care staff, other employees, and members of the household. Verification of annual reviews shall be maintained by the home and shall be available for department review.

At the time of inspection, 1 of 3 employee records reviewed did not contain an annual health review for 2023 or 2024.

R 400.14208 Direct care staff and employee records.

(1) A licensee shall maintain a record for each employee. The record shall contain all of the following employee information:
(e) Verification of experience, education, and training.

At the time of inspection, 3 of 3 employee records reviewed did not contain verification of education.

R 400.14310 Resident health care.

(3) A licensee shall record the weight of a resident upon admission and monthly thereafter. Weight records shall be kept on file for 2 years.

At the time of inspection, I observed that Resident A's weight was not recorded September, November and December of 2023. Resident A also did not have weights recorded from January 2024 through November 2024.

R 400.14318 Emergency preparedness; evacuation plan; emergency transportation.

(5) A licensee shall practice emergency and evacuation procedures during daytime, evening, and sleeping hours at least once per quarter. A record of the practices shall be maintained and be available for department review.

At the time of inspection, I observed that the home did not conduct fire drills as required.

- No evening drill conducted during the 2nd, 3rd and 4th quarter of 2023.
- No day drill conducted during the 3rd quarter of 2023.
- No sleep drill conducted during the 4th quarter of 2023.
- No evening drill conducted during the 1st quarter of 2024.
- No sleep drill conducted during the 2nd quarter of 2024.

***REPEAT VIOLATION ESTABLISHED* LSR DATED; 12/01/22, CAP DATED; 12/24/22.**

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
