A telephone is available for residents to use. Telephone numbers for emergency services is posted near the telephone.

All of the furniture, appliances, equipment, etc. are clean and in good condition. The overall maintenance and cleanliness of the home is good. The landscaping and property are maintained in appropriate condition.

B. Program Description

Admission and discharge policies, program statement, refund policy, personnel policies, and standard procedures for the facility were reviewed and accepted as written. The applicant intends to provide 24-hour supervision, protection and personal care to **six** female and/or male adults aged 18 years and older, who may be diagnosed as mentally ill and/or developmentally disabled in the least restrictive environment possible. The facility is not wheelchair accessible. The program will include social interaction skills, personal hygiene, personal adjustment skills, and public safety skills. A personal behavior support plan will be designed and implemented for each resident's social and behavioral developmental needs. It is the intent of this facility to utilize local community resources including public schools and libraries, local museums, shopping centers, and local parks.

If required, behavioral intervention and crisis intervention programs will be developed as identified in the assessment plan. These programs shall be implemented only by trained staff members, and only with the prior approval of the resident, guardian, and the responsible agency.

The facility will provide transportation to residents. Emergency transportation needs will be fulfilled through ambulance services. Staff will be awake during sleeping hours.
