RE: License #: AS400405101  
**ROB'S HOUSE**  
**1453 Cedar Court**  
**Kalkaska, MI 49646**

Dear Ms. Clark:

Attached is the Renewal Licensing Study Report for the facility referenced above. You have submitted an acceptable written corrective action plan addressing the violations cited in the report. To verify your implementation and compliance with this corrective action plan: An on-site inspection will be conducted.

The study has determined substantial compliance with applicable licensing statutes and administrative rules. Therefore, your license and special certification is renewed. It is valid only at your present address and is nontransferable. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0100.

Sincerely,

A handwritten signature in cursive script that reads "Adam Robarge".

- Number of excluded employees followed-up? N/A
- Variances? Yes  (please explain) No  N/A

### III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

**R 400.14205      Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.**

(3) A licensee shall maintain, in the home, and make available for department review, a statement that is signed by a licensed physician or his or her designee attesting to the physician's knowledge of the physical health of direct care staff, other employees, and members of the household. The statement shall be obtained within 30 days of an individual's employment, assumption of duties, or occupancy in the home.

One employee did not have a statement signed by a licensed physician attesting to their physical health within 30 days of that individual's employment.

**R 400.14205      Health of a licensee, direct care staff, administrator, other employees, those volunteers under the direction of the licensee, and members of the household.**

(5) A licensee shall obtain written evidence, which shall be available for department review, that each direct care staff, other employees, and members of the household have been tested for communicable tuberculosis and that if the disease is present, appropriate precautions shall be taken as required by state law. Current testing shall be obtained before an individual's employment, assumption of duties, or occupancy in the home. The results of subsequent testing shall be verified every 3 years thereafter or more frequently if necessary.

One employee did not have verification of having had a TB test completed within the last 3 years available at the time of the inspection.

**R 400.14301      Resident admission criteria; resident assessment plan; emergency admission; resident care agreement; physician's instructions; health care appraisal.**

(10) At the time of the resident's admission to the home, a licensee shall require that the resident or the resident's designated representative provide a written health care

appraisal that is completed within the 90-day period before the resident's admission to the home. A written health care appraisal shall be completed at least annually. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be obtained not later than 30 days after admission. A department health care appraisal form shall be used unless prior authorization for a substitute form has been granted, in writing, by the department.

One resident did not have a health care appraisal completed and/or on record at the time of the inspection.

**R 400.14401 Environmental health.**

(2) Hot and cold running water that is under pressure shall be provided. A licensee shall maintain the hot water temperature for a resident's use at a range of 105 degrees Fahrenheit to 120 degrees Fahrenheit at the faucet.

The water temperature at the kitchen sink was measured at 122 degrees Fahrenheit at the time of the inspection.

**R 400.14402 Food service.**

(3) All perishable food shall be stored at temperatures that will protect against spoilage. All potentially hazardous food shall be kept at safe temperatures. This means that all cold foods are to be kept cold, 40 degrees Fahrenheit or below, and that all hot foods are to be kept hot, 140 degrees Fahrenheit or above, except during periods that are necessary for preparation and service. Refrigerators and freezers shall be equipped with approved thermometers.

The freezer was not equipped with an approved thermometer at the time of the inspection.

A corrective action plan was requested and approved on 04/28/2025. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license and special certification.

**IV. RECOMMENDATION**

I recommend issuance of a two-year regular adult foster care license.
