RE: License #: AM250294261
Genesee Regional Crisis Residential Unit
304 W. Tobias
Flint, MI 48503

Dear Donald King:

Attached is the Renewal Licensing Study Report for the facility referenced above. You have submitted an acceptable written corrective action plan addressing the violations cited in the report. To verify your implementation and compliance with this corrective action plan: *(choose one or more)*

- You are to submit documentation of compliance.
- You are to submit a Statement of Correction.
- An on-site inspection will be conducted.

The study has determined substantial compliance with applicable licensing statutes and administrative rules. Therefore, your license and special certification are renewed. It is valid only at your present address and is nontransferable.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 643-7960.

Sincerely,

A handwritten signature in dark ink, reading "Christopher A. Holvey". The signature is written in a cursive style with a large, stylized 'C' and 'H'.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14401 Environmental health.

(7) Each habitable room shall have direct outside ventilation by means of windows, louvers, air-conditioning, or mechanical ventilation. During fly season, from April to November, each door, openable window, or other opening to the outside that is used for ventilation purposes shall be supplied with a standard screen of not less than 16 mesh.

One resident bedroom was observed to not have a screen on the openable window. One resident bedroom had a screen that was in poor condition and in need of repair.

R 400.14407 Bathrooms.

(1) Bathrooms and toilet facilities that do not have windows shall have forced ventilation to the outside. Bathroom windows that are used for ventilation shall open easily.

The bathroom utilized for the female residents has a ventilation fan that was not working and was in need of repair and/or replacement.

A corrective action plan was requested and approved on 07/15/2025. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license and special certification is recommended.
