Dear Todd Dockerty:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your facility on 07/01/2025. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for an Adult Foster Care medium group home.

The violations that were found are:

(2) Except as otherwise provided in this subsection or subsection (6), an adult foster care facility shall not employ or independently contract with an individual who has direct access to residents until the adult foster care facility or staffing agency has conducted a criminal history check in compliance with this section or has received criminal history record information in compliance with subsections (3) and (11). This subsection and subsection (1) do not apply to an individual who is employed by or under

On or before April 1, 2011, an individual who is exempt under this subsection and who has not been the subject of a criminal history check conducted in compliance with this section shall provide the department of state police a set of fingerprints and the department of state police shall input those fingerprints into the automated fingerprint identification system database established under subsection (14). An individual who is exempt under this subsection is not limited to working within the adult foster care facility with which he or she is employed by or under independent contract with on April 1, 2006 but may transfer to another adult foster care facility, mental health facility, or covered health facility. If an individual who is exempt under this subsection is subsequently convicted of a crime or offense described under subsection (1)(a) to (g) or found to be the subject of a substantiated finding described under subsection (1)(i) or an order or disposition described under subsection (1)(h), or is found to have been convicted of a relevant crime described under 42 USC 1320a-7(a), he or she is no longer exempt and shall be terminated from employment or denied employment.
