II. Purpose of Addendum

The purpose of this addendum is to change the use of space (storage room).

III. Methodology

07/23/2025 On-site Inspection Completed (Renewal Inspection)

IV. Description of Findings and Conclusions

The licensee submitted a request to change the use of space, as an empty room utilized for storage has been converted into a full bathroom. The facility is now equipped with two full bathrooms on the main level of the home, and the second bathroom is also equipped with a walk-in shower. This change does not have an effect on the licensed capacity, as the room was not utilized as a resident bedroom.

V. Recommendation

It's recommended that the modification request be approved.
