RE: License #: AH630236793
Investigation #: 2025A1035067
The Haworth Center

Dear Ryan Goleski:

Attached is the Special Investigation Report for the above referenced facility. Due to the violations identified in the report, a written corrective action plan is required. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

If you desire technical assistance in addressing these issues, please feel free to contact me. In any event, the corrective action plan is due within 15 days. Please review the enclosed documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 335-5985.

Sincerely,

Jennifer Heim, Licensing Staff
Bureau of Community and Health Systems

II. ALLEGATION(S)

	Violation Established?
Resident A is not receiving assistance with activities of daily living.	No
Food is not being covered during meal delivery.	Yes
There are gnats in the building.	No
Additional Findings	No

III. METHODOLOGY

06/23/2025	Special Investigation Intake 2025A1035067
06/24/2025	Special Investigation Initiated - Telephone
07/15/2025	Contact - Face to Face
8/27/2025	Inspection Complete. BCAL Sub Compliance.
9/3/2025	Exit Conference.

ALLEGATION:

Resident A is not receiving assistance with activities of daily living.

INVESTIGATION:

On July 8, 2025, the Department received a complaint forwarded from Adult Protective Services (APS) which read:

“Resident A reported that there was delay in care and services at the facility. There is typically one nurse on staff at a time and when Resident A voices his concerns, he is told that they will get on it but the care is delayed. Resident A is not being assisted in being washed up regularly.”

APS did not open an investigation pertaining to the allegations.

On July 15, 2025, an onsite investigation was conducted. While onsite I interviewed Staff Person (SP)1 who states care was provided to Resident A as indicated on his service plan. SP1 stated she was surprised there were care concerns, no concerns had been brought to her attention.

Through record review activities of daily living had been documented as performed during. Showers are documented twice a week as stated in the service plan. There are several dates without documentation related to Resident A being out of the facility at the hospital.

APPLICABLE RULE	
R 325.1931	Employees; general provisions.
	(2) A home shall treat a resident with dignity and his or her personal needs, including protection and safety, shall be attended to consistent with the resident's service plan.
ANALYSIS:	Through interview and record review, Resident A received care in accordance with service plan. Based on the information noted above this allegation has not been substantiated.
CONCLUSION:	VIOLATION NOT ESTABLISHED

ALLEGATION:

Food is not being covered during meal delivery.

INVESTIGATION:

On July 8, 2025, the Department received a complaint forwarded from Adult Protective Services (APS) which read:

“When Resident A is brought food, the food is not being covered up.”

APS did not open an investigation pertaining to the allegations.

On July 15, 2025, an onsite investigation was conducted. While onsite I interviewed SP2 who states food is prepared in the kitchen, plates and drinks are covered prior to placing in food delivery cart and transporting to resident rooms.

While onsite, food delivery cart noted in hall. Approximately 15 food trays noted in cart no plate covers noted.

While onsite I interviewed SP3 who states plates and drinks should be covered and often are not.

APPLICABLE RULE	
R 325.1976	Kitchen and dietary.
	(5) The kitchen and dietary area, as well as all food being stored, prepared, served, or transported, shall be protected against potential contamination from dust, flies, insects, vermin, overhead sewer lines, and other sources.
ANALYSIS:	Through direct observation, plate covers noted in kitchen on rack. Approximately 15 trays noted in food delivery cart without plate covers. SP2 and SP3 state plates and drinks should be delivered with plate and drink covers. No plate covers noted in food cart. Based on interview and direct observation this allegation has been substantiated.
CONCLUSION:	VIOLATION ESTABLISHED

ALLEGATION:

There are gnats in the building.

INVESTIGATION:

July 8, 2025, the Department received a complaint forwarded from Adult Protective Services (APS) which read:

“There are gnats in the building.”

APS did not open an investigation pertaining to the allegations.

On July 15, 2025, an onsite investigation was conducted. While onsite I interviewed SP2 who states the facility is treated for gnats and pest control monthly by Orkin. Approximately two weeks ago it was brought to SP2 attention that there were gnats in drain, Orkin was notified and has been treating facility accordingly.

While onsite, drains observed in kitchen and dining area, no gnats noted. No gnats or pest noted in common area. Through record review facility has had recent pest control treatments provided by Orkin.

APPLICABLE RULE	
R 325.1978	Insect and vermin control.
	(1) A home shall be kept free from insects and vermin.(2) Pest control procedures shall comply with MCL 324.8301 et seq.
ANALYSIS:	Through record review and direct observation, no gnats nor pest noted within home.
CONCLUSION:	VIOLATION NOT ESTABLISHED

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action, I recommend the status of this license remain unchanged.
