RE: License #: AS410418928
C.M.G Serenity Home Care LLC
1778 Bridle Creek St SE
Kentwood, MI 49508

Dear C.M.G Serenity Home Care LLC:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 335-5985.

Sincerely,

A handwritten signature in black ink, appearing to read 'Amanda Blasius', written in a cursive style.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.14505 **Smoke detection equipment; location; battery replacement; testing, examination, and maintenance; spacing of detectors mounted on ceilings and walls; installation requirements for new construction, conversions, and changes of category.**

(6) For new construction, conversions, and changes of category, approved smoke detectors shall be installed in accordance with the requirements contained in the publication of the national fire protection association entitled "NFPA 101, Life Safety Code, 1988," shall be powered from the building's electrical system, and, when activated, shall initiate an alarm that is audible in all sleeping rooms with the door closed. Detectors shall be installed on all levels, including basements, but excluding crawl spaces and unfinished attics. Additional detectors shall be installed in living rooms, dens, dayrooms, and similar spaces.

At the time of inspection, smoke detectors were observed on each level of the home and were interconnected through a wireless system. The smoke detectors were not powered through the homes electrical system.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
