IV. Description of Findings and Conclusions

The licensee Maple Grove AFC LLC was issued an original group adult foster care (AFC) license on 11/28/2022 with a capacity of 12 residents for the facility, Maple Grove AFC. The licensee services physically handicapped, developmental disabilities, mentally ill, and aged populations.

On 01/31/2026, the licensee designee Lindsey Schnautz submitted a modification request to also provide respite services, which is the temporary provision of AFC services. Ms. Schnautz submitted an additional program statement, admission, and discharge policies documenting respite services will be provided in the facility. Within these documents, the licensee included a statement documenting residents requiring respite services would count towards the facility’s licensed capacity. The licensee included a statement documenting that the provision of respite care could not impair the ability of the facility to meet the care needs of the residents or disrupt the residents who live in the facility. The licensee documented residents requiring respite services must complete all the required AFC documents at the time of admission and the licensee acknowledged an understanding of compliance with evacuation procedures when providing respite care.

V. Recommendation

I approve the licensee’s request to provide respite care at Maple Grove AFC effective 02/03/2026.
