RE: License #: AF230073847
Ide AFC Family Home
1188 S Gunnell Road
Eaton Rapids, MI 48827

Dear Belinda Ide:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 335-5985.

Sincerely,

A handwritten signature in black ink, appearing to read "Eli DeLeon". The signature is fluid and cursive, with a long horizontal stroke at the end.

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.629

Direct care staff; qualifications and training.

(5) A licensee or administrator shall provide in-service training or make training available through other sources to direct care staff. Direct care staff shall be trained and competent in all of the following areas before performing assigned tasks independently:

- (a) Reporting requirements.**
- (b) First aid.**
- (c) Cardiopulmonary resuscitation, which includes a hands-on demonstration as part of the training.**
- (d) Personal care, supervision, and protection.**
- (e) Resident rights.**
- (f) Safety and fire prevention.**
- (g) Prevention and containment of communicable diseases including recognizing signs of illness.**
- (h) Food safety, which includes food storage, preparation, distribution, and serving in a safe manner.**
- (i) Nutrition and special diets.**

(6) Training for subrule (5)(b) and (c) of this rule must be in accordance with these rules. The individual providing the training shall be trained in and follow nationally recognized standards.

(7) Documentation of training must be maintained in the staff's record to determine that the training has been completed and is current.

Training records were unavailable for three unidentified direct care staff.

R 400.631

Health screenings.

(2) A licensee shall have on file a statement signed by a licensed physician or physician's designee attesting to the physical health of the licensee, staff, and members of the household. Statements for the licensee and administrator must be signed no more than 6 months before the issuance of a temporary license and at any other time requested by the department. Statements for staff and members of the household must be obtained within 30 days of employment

start date, assumption of duties, or occupancy in the facility.

(5) A licensee shall maintain documentation of a baseline screening for communicable diseases and records of illness on hiring. Staff who have direct physical contact with residents or resident food may perform those duties only when they are noninfectious or when proper precautions are taken to prevent the spread of a communicable disease. A licensee shall follow a staff's health care professional or local health department guidance on controlling the spread of a communicable disease when identified.

Health screenings and physicals were unavailable for three unidentified direct care staff.

R 400.639
