III. DESCRIPTION OF FINDINGS & CONCLUSIONS

A. Physical Description of Facility

Serenity House Grand Lin is located at 4448 Grand Lin St. in Swartz Creek. It is a single-story ranch style house with vinyl siding built in 1958 and located in the Grand Lin Estates residential subdivision. It includes three bedrooms, one full bathroom, supply closet, living room, dining room kitchen, and mechanical room. The facility does not have a basement and there is a detached garage. The facility has a wide driveway to accommodate ample parking. The facility is not wheelchair accessible.

The furnace and hot water heater are located in a room that is constructed of material that has a 1-hour-fire-resistance rating. The facility is equipped with a smoke detection system, with battery backup, which was inspected by DHW Electric LLC on 04/20/2026 and is fully operational. A furnace inspection was completed on 10/07/2025 by Dave Lamb Heating and Air Cond. Inc. and deemed operational. The home has public water and sewer.

Resident bedrooms were measured during the on-site inspection and have the following dimensions:

Bedroom #	Room Dimensions	Total Square Footage	Total Resident Beds
1	7'9"x11'9"	94.01 sq. ft.	1
2	11'6"x10'6"	122.96 sq. ft.	1
3	9'6"x10'6"	101.76 sq. ft.	1

The living and dining room areas measure a total of 384 square feet of living space. This exceeds the minimum of 35 square feet per occupant requirement.

Based on the above information, it is concluded that this facility can accommodate **three (3)** residents. It is the licensee's responsibility not to exceed the facility's licensed capacity.

B. Program Description

Admission and discharge policies, program statement, refund policy, personnel policies, and standard procedures for the facility were reviewed and accepted as written. The applicant intends to provide 24-hour supervision, protection and personal care to six (6) male or female ambulatory adults age 18 and older, whose diagnosis is developmentally disabled, mentally impaired and/or traumatic brain injury, in the least restrictive environment possible. The program will include social interaction skills, personal hygiene, personal adjustment skills, and public safety skills. A personal behavior support plan will be designed and implemented for each resident's social and behavioral developmental needs. Residents will be referred from Community Mental Health.

If required, behavioral intervention and crisis intervention programs will be developed as identified in the assessment plan. These programs shall be implemented only by trained staff, and only with the prior approval of the resident, guardian, and the responsible agency.

The licensee will provide all transportation for program and medical needs. The facility will make provision for a variety of leisure and recreational equipment. It is the intent of this facility to utilize local community resources including public schools, libraries, local museums, shopping centers, and local parks.

C. Applicant and Administrator Qualifications

The applicant is Serenity House Residential Care Services, L.L.C., which is a "Domestic Limited Liability Company", was established in Michigan, on 04/03/2023. The applicant has acknowledged sufficient financial resources to provide for the adequate care of the residents. The applicant submitted a financial statement and established an annual

budget projecting expenses and income to demonstrate the financial capability to operate this adult foster care facility.

Serenity House Residential Care Services, L.L.C. has submitted documentation appointing Brandon Gadberry as Licensee Designee and Administrator for this facility.

A licensing record clearance request was completed and approved for the licensee designee and the administrator. The licensee designee and administrator submitted a medical clearance request with statements from a physician documenting their good health and a current Communicable Disease/Tuberculosis Screening Questionnaire.

The licensee designee and administrator have provided documentation to satisfy the qualifications and training requirements identified in the administrative group home rules.

The staffing pattern for the original license of this 3-bed facility is adequate and includes a minimum of 1 staff-to-3 residents per shift. It is the intent of the corporation that all staff shall be awake during sleeping hours.

The applicant acknowledges an understanding of the training and qualification requirements for direct care staff prior to each person working in the facility in that capacity or being considered as part of the staff –to- resident ratio.

The applicant acknowledged an understanding of the responsibility to assess the good moral character of employees and contractors who have regular, ongoing, “direct access” to residents or the resident information or both. The licensing consultant provided technical assistance on the process for obtaining criminal record checks utilizing the Michigan Long Term Care Partnership website (www.miltcpartnership.org), L-1 Identity Solutions™ (formerly Identix ®), and the related documents required to be maintained in each employees record to demonstrate compliance.

The applicant acknowledges an understanding of the administrative rules regarding medication procedures and that only those direct care staff that have received medication training and have been determined competent by the licensee can administer medication to residents. In addition, the applicant has indicated that resident medication will be stored in a locked cabinet and that daily medication logs will be maintained on each resident receiving medication.

The applicant acknowledges their responsibility to obtain all required documentation and signatures that are to be completed prior to each direct care staff or volunteer 4 working with residents. In addition, the applicant acknowledges their responsibility to maintain a current employee record on file in the home for the licensee, administrator, 4 and direct care staff or volunteer and the retention schedule for all of the documents contained within each employee’s file.

The applicant acknowledges an understanding of the administrative rules regarding informing each resident of their resident rights and providing them with a copy of those rights. The applicant indicated that it is their intent to achieve and maintain compliance with these requirements.

The applicant acknowledges an understanding of the administrative rules regarding the written and verbal reporting of incidents and accidents and the responsibility to conduct an immediate investigation of the cause. The applicant has indicated their intention to achieve and maintain compliance with the reporting and investigation of each incident and accident involving a resident, employee, and/or visitor.

The applicant acknowledges an understanding of the administrative rules regarding the handling of resident funds and valuables and intends to comply.

The applicant acknowledges their responsibility to obtain all of the required forms and signatures that are to be completed prior to, or at the time of each resident's admission to the home as well as the required forms and signatures to be completed for each resident on an annual basis. In addition, the applicant acknowledges their responsibility to maintain a current resident record on file in the home for each resident and the retention schedule for all of the documents contained within each resident's file.

The applicant acknowledges their responsibility to provide a written discharge notice to the appropriate parties when a 30-day or less than 30-day discharge is requested.

D. Rule/Statutory Violations

The applicant was in compliance with the licensing act and applicable administrative rules at the time of licensure. Compliance with the physical plant rules has been determined. Compliance with quality-of-care rules will be assessed during the period of temporary licensing via an on-site inspection.

IV. RECOMMENDATION

I recommend issuance of a temporary license and special certification to this AFC adult small group home (capacity 3).
