III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

MCL 400.734b	Employing or contracting with certain individuals providing direct services to residents; prohibitions; criminal history check; exemptions; written consent and identification; conditional employment; use of criminal history record information; disclosure; determination of existence of national criminal history; failure to conduct criminal history check; automated fingerprint identification system database; electronic web-based system; costs; definitions.
	(2) Except as otherwise provided in this subsection or subsection (6), an adult foster care facility shall not employ or independently contract with an individual who has direct access to residents until the adult foster care facility or staffing agency has conducted a criminal history check in compliance with this section or has received criminal history record information in compliance with subsections (3) and (11). This subsection and subsection (1) do not apply to an individual who is employed by or under contract to an adult foster care facility before April 1, 2006. On or before April 1, 2011, an individual who is exempt under this subsection and who has not been the subject of a criminal history check conducted in compliance with this section shall provide the department of state police a set of fingerprints and the department of state police shall input those fingerprints into the automated fingerprint identification system database established under subsection (14). An individual who is exempt under this subsection is not limited to working within the adult foster care facility with which he or she is employed by or under independent contract with on April 1, 2006 but may transfer to another adult foster care facility, mental health facility, or covered health facility. If an individual who is exempt under this subsection is subsequently convicted of a crime or offense described under subsection (1)(a) to (g) or found to be the subject of a substantiated finding described under subsection (1)(i) or an order or disposition described under subsection (1)(h), or is found to have been convicted of a relevant crime described under 42 USC 1320a-7(a), he or she is no longer exempt and shall be terminated from employment or denied employment.

During the onsite inspection, staff Don Morrissey did not have fingerprinting on file that was completed through the Michigan Workforce Background Check System.

R 400.647	Safety and maintenance of premises.
	(1) A facility must be constructed, arranged, and maintained to provide adequately for the health, safety, and well-being of occupants.

During the onsite inspection, the electrical outlet in the front bedroom was broken.

R 400.673	Use of assistive devices, therapeutic support.
	(2) An assistive device or therapeutic support must be authorized in writing by an appropriately licensed health care professional and the authorization must state the reason for and the term of the authorization.

During the onsite inspection, there was no authorization on file for the use of a walker for Resident A.

R 400.727	Smoke detection equipment for family home and small group home with 6 or less residents after March 27, 1980.
	(7) Instead of the approved smoke alarms being powered by the facility's electrical service in subrule (6) of this rule, a wireless system in compliance with section 29.10.8.1 et seq. of NFPA 72, National Fire Alarm and Signaling Code, 2019 edition, is accepted. The other requirements in subrule (6) of this rule still apply. NFPA 72, National Fire Alarm and Signaling Code, 2019 edition, is adopted by reference in R 400.715(2).

During the onsite inspection, the smoke detectors were not hardwired and interconnected. Technical assistance was provided regarding installing a wireless system with smoke detectors installed in the living room, sleeping areas, and areas of the home with heat producing equipment.

IV. RECOMMENDATION

An acceptable corrective action plan has been received. Renewal of the license is recommended.
