RE: License #: AS820415643
MI Casa Su Casa
20445 Stansbury
Detroit, MI 48235

Dear Ms. Reed:

Attached is the Renewal Licensing Study Report for the facility referenced above. The violations cited in the report require the submission of a written corrective action plan. The corrective action plan is due 15 days from the date of this letter and must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific dates for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the licensee or licensee designee or home for the aged authorized representative and a date.

Upon receipt of an acceptable corrective plan, a regular license will be issued. If you fail to submit an acceptable corrective action plan, disciplinary action will result.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,

A handwritten signature in cursive script that reads "Shatonla Daniel".

III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This facility was found to be in non-compliance with the following rules:

R 400.615 Resident register.

A licensee shall maintain a chronological register of all residents admitted that includes the following information for each resident:

- (a) Resident full name.
- (b) Resident date of birth.
- (c) Date of admission.
- (d) Date of discharge and location, if known, where the resident moved.

At the time of inspection, the licensee failed to maintain a resident register for the facility.

R 400.627 Licensee and administrator training requirements.

(1) A licensee and administrator shall complete annual training based on the license issue date, the educational requirements specified in subdivision (a) or (b) of this subrule, or a combination that totals 16 hours:

(a) 16 hours of training accepted by the department that is relevant to the licensee's admission policy and program statement.

(b) 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as accepted by the department.

At the time of inspection, the licensee failed to complete 16 hours of training or 6 credit hours at an accredited college or university in an area that is relevant to the licensee's admission policy and program statement as accepted by the department.

R 400.637 Handling of resident funds and valuables.

(4) A licensee shall record in the resident record a resident funds and itemized transactions including payment for services provided for each resident.

At the time of inspection, Resident A's record reviewed did not contain a Funds Part I and II forms.

R 400.647 Safety and maintenance of premises.

(2) Home furnishings and housekeeping standards must present a comfortable, clean, and orderly appearance.

At the time of inspection, I observed dust and grim covering surfaces throughout the facility.

R 400.663 Nutrition; adoption by reference.

(7) A licensee shall keep records of menus, including special diets, for 90 days.

At the time of inspection, licensee did not keep a record of menus for 90 days.

R 400.685 Resident admission; resident assessment plan; resident care agreement; health care appraisal.

(10) A resident or resident's designated representative shall provide a written health care appraisal or a medical discharge summary by an appropriate health care professional that is completed within the 90-day period before admission. A written health care appraisal must be completed at least annually thereafter. If a written health care appraisal is not available at the time of an emergency admission, a licensee shall require that the appraisal be completed no later than 30 days after admission.

At the time of inspection, Resident A's record reviewed did not contain a health care appraisal completed within 90-day period before admission and/or 30 days after emergency admission.

R 400.723 Fire extinguishers.

(2) Fire extinguishers must be examined and maintained as recommended by the manufacturer.

At the time of inspection, licensee failed to have fire extinguishers inspected yearly.

R 400.727

Smoke detection equipment for family home and small group home with 6 or less residents after March 27, 1980.

(6) For new construction, conversions to an adult foster care facility, and changes of adult foster care licensing type, approved smoke alarms must be installed in accordance with the requirements contained in the national fire protection association entitled NFPA 101, Life Safety Code, 2021 edition, powered from the building's electrical system, and, when activated, initiate an alarm that is audible in all sleeping rooms with the doors closed. Smoke alarms must be installed on all levels, including basements, but excluding crawl spaces and unfinished attics. Additional smoke alarms must be installed in living rooms, dens, dayrooms, and similar spaces. NFPA 101, Life Safety Code, 2021 edition, is adopted by reference in R 400.715(4)(b).

At the time of inspection, I observed the smoke detectors were not interconnected and when activated, initiate an alarm that is audible in all sleeping rooms with the doors closed.

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, renewal of the license is recommended.
