ALLEGATION:

Resident A was pushed down by staff Kristin Hawk

INVESTIGATION:

On 8/14/2026 an APS referral was received.

On 8/18/2026, I telephoned Guardian A1. I attempted to leave a message, but her mailbox is full. I left an SMS text message with my telephone number. She has not responded to date.

On 8/18/2026, I interviewed Resident A. She stated that on 8/11/2026 direct care staff, Kristin Hawk, pushed her down outside in the parking lot and she suffered a

bruised knee and abrasions to her hand and elbow. She showed me what remained of the bruise on her knee. She had no other visible bruises or abrasions.

On 8/18/2026, I interviewed Marcus Williams. He stated that he witnessed the 8/11/2026 incident and stated that Resident A was having a behavioral episode and had attempted to hit direct care staff, Kristin Hawk. Kristin Hawk blocked Resident A's punches and was attempting to physically redirect Resident A when Resident A fell down and was injured.

On 8/18/2026, I interviewed Kristin Hawk. She denied ever pushing Resident A. She stated that she was trying to redirect her and block her attempted punches.

On 8/18/2026, I interviewed direct care staff, Rachel Williams. She stated that on 8/11/2026 when Resident A was having a behavioral episode, she witnessed direct care staff, Kristin Hawk, push Resident A which caused her to fall to the ground and resulted in Resident A's bruises and abrasions.

On 8/18/2026, I interviewed direct care staff, Tami Smith. She admitted that she did not witness the incident and was only told about it after the fact.

On 8/18/2026, I conducted an exit conference with Daniel Bogosian. He stated that Eisenhower Center human resources had terminated Kristin Hawk's employment after the incident with Resident A.

APPLICABLE RULE	
R 400.641	Resident behavior interventions.
	(5) Staff, volunteers, visitors, or other occupants of the facility shall not mistreat a resident. Mistreatment includes any intentional action or omission that exposes a resident to a serious risk, physical or emotional harm, or the deliberate infliction of pain by any means.
ANALYSIS:	Although I found all of the direct care staff to be credible, given that the Eisenhower Center human resources terminated Kristin Hawk's employment and the definition of mistreatment includes an omission/negligence, then direct care staff Kristin Hawk mistreated Resident A when her behavioral intervention/redirection caused Resident A to fall to the ground and be injured.
CONCLUSION:	VIOLATION ESTABLISHED

IV. RECOMMENDATION

Contingent upon receipt of an acceptable corrective action plan, I recommend no change in the license status.
