ALLEGATION:

There are unreported minors living in the facility supervising residents

INVESTIGATION:

On 7/8/26, licensee Adeline Berry was interviewed at the facility. Mrs. Berry stated that her son was living in the home as he is getting a divorce. Mrs. Berry had previously contacted this worker to report that he was living in the facility and she wanted him added to her license as a co licensee, which is in progress. She stated that they are having custody disagreements that she believes have led to several

complaints. She stated that the grandchildren visit but are not living in the home. Mrs. Berry had previously reported that her son was living in the home. Her son is also an employee and employee records were reviewed. An inspection was complete. There was no evidence that children were living in the home or supervising residents.

On 7/8/26, Residents A, B, and C were interviewed at the facility. All stated that they are happy at the facility. They expressed no concerns about their care or caregivers.

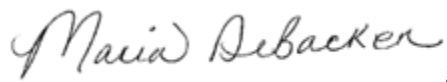

On 8/3/26, licensee Adeline Berry was interviewed by phone due to additional complaints. Mrs. Berry stated that there are no children living or working in the facility.

8/25/26, licensee Adeline Berry was contacted by phone. Findings were discussed and agreed upon. Mrs. Berry is aware that all household members should be reported.

APPLICABLE RULE	
R 400.629	Direct care staff; qualifications and training.
	(1) Direct care staff shall be at least 18 years of age and able to complete required reports and follow written and oral instructions that are related to the care and supervision of residents. (2) Minor individuals who are 16 or 17 years of age may be considered as a direct care staff under subrule (1) of this rule and counted toward the staff-to-resident ratio if all the following criteria are met: (a) The individual is under direct supervision of a fully trained direct care staff who is onsite at the facility and is at least 18 years of age.
ANALYSIS:	There is no evidence that minors are living in the home or supervising the residents.
CONCLUSION:	VIOLATION NOT ESTABLISHED

IV. RECOMMENDATION
