II. Purpose of Addendum

The purpose of this addendum is to decrease capacity from four (4) to three (3) as requested in writing by licensee designee, Ashley Jennings.

III. Methodology

On 06/22/2026, I received an email from licensee designee, Ashley Jennings requesting a decrease in capacity from four (4) to three (3). Ms. Jennings stated the three residents at Dayton have complex needs and will not be admitting any other residents into the home. I advised Ms. Jennings to submit her request in writing.

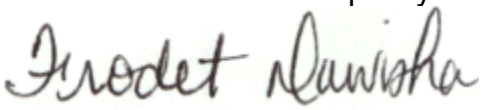

On 06/24/2026, Ms. Jennings submitted in writing her request for modification of the terms of the license form requesting capacity at Dayton to be decreased from four (4) to three (3). Ms. Jennings explains that Dayton has high complex and support needs and adding another individual at this time would compromise the safety and stability of the environment.

IV. Description of Findings and Conclusions

Based on the request and document reviewed, Dayton's capacity should be decreased from four (4) to three (3).

V. Recommendation

I recommend the capacity to be three (3) at Dayton.
